

True Father: Love is the pinnacle of hope for the human race

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father:

True Father: "Unification becomes possible only with God's love, a love that embraces enemy countries as well." [1]

The ideal world, that God is dreaming of, can only be based on true love. It cannot be based on resentment, hatred and revenge. It cannot be based on fallen nature, but on divine nature.

True love is unconditional and unchanging. It keeps giving and loving, no matter what the response may be. It does not depend on the response at all.

Because of this nature of true love, evil cannot continue to exist in front of true love. It will be melted away:

True Father: "Unselfish love won the heart of the past and wins the heart of the future because no one will disagree with it. I proclaim today that no power can destroy unselfish love. Someone may take a weapon and try to destroy it, but when they confront unselfish love, they will completely melt." [2]

True Father: "The power of true love is great. True love can melt even the hardest substance. It is more fearful than a clenched fist. Love can conquer any place in a flash, no matter how far and wide. Nothing is strong enough to withstand the power of love. True love can melt even our enemy. We want to become the owners of the world based on love. Love is the pinnacle of hope for the human race." [3]

God and True Parents want all of us to become owners of true love. This will bring about the Kingdom of God:

True Father: "If you have such great love that you can love even your enemy, that power will melt everything. God needs a movement that can melt the wrong world down and change it into the right one." [4]

We all have the potential to develop such a love in our heart. It is our destiny.

Love from Bruno
