

True Mother: We must live a life of forgiveness

Anyonghaseyo, dear brothers and sisters,

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "Like God, when you are opposed by others, you have to tolerate them with love. People will begin to feel sorry for you when you have been opposed three or four times. That is my standard in educating you; no matter what others may do to you, persevere and they will feel badly about it and stop. When each one of us becomes like that, this church will be a true church." [1]

True Love gives and forgets. It also forgives and forgets. It simply keeps giving love, no matter what the response or opposition is.. Therefore it can win the heart even of enemies:

True Father: "It does not matter how many times another deceives you or betrays your expectations. Do not give up because you will not lose. I was actually betrayed many times and know that I will continue to be betrayed, but I am secure in my way and I go on. I have never found that my position gets worse; instead it is always improving. That is the heavenly standard." [2]

Forgiving those that oppose or betray us brings about much blessing:

True Mother: "We must live a life of forgiveness... When you forgive the sins of others, amazing blessings are given to us from Heaven." [23.9.14]

The more we live the heavenly standard, the sooner the ideal world of peace and love will arrive. Nothing can stop it:

True Father: "The roots of a tree can penetrate even a huge rock; in exactly the same way, the power of love will grow and take root over the whole earth." [3]

The Kingdom of God will be established by the revolution of true love, based on the Holy Marriage Blessing of True Parents.
