Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Mother: "In 1991, my husband and I were filled with emotion as we passed the very site of that prison while we were travelling to meet Kim Il Sung at the Presidential Palace at Hamhung. It was through this meeting that we laid the cornerstone for renewed efforts for the reunification of North and South Korea. I was reminded once again that our Heavenly Parent works miracles when we forgive and love our enemies." [12.8.2014]

Such love is most powerful. It has the power to bring about God's world:

True Father: "In God's world, we love even the enemy and we never retaliate against others. When we love even our enemy, Satan must run away because he has no foundation to claim anything as his own."

[1]

True Father: "The true dispensation cannot appear on earth unless an individual, family, tribe and nation can practise the principle of loving their enemy. Until such a nation appears, you cannot talk about the Kingdom of God on earth." [2]

We all are requested to love and embrace those that reject and oppose us:

True Father: "What remains to be done is to take care of your enemy. When he/she is sick you should care for him/her. When he/she is hungry, then feed him/her. When I was in Danbury, I really liked them all. When people curse me, I just forget it." [3]

As we walk this way, we will realize what power is given to us:

True Father: "Once you come to know how great the power of true love is, you would go this way even if someone told you not to." [4]

We are requested to use that great power of love to build the Kingdom of God. Only the power of true love can bring God's Kingdom about:

True Father: "A great movement of restoration only comes from this ideology of love. Only the power of love could begin the new history and new age. When a person has the power to even love his enemies, he is truly a giant and there is nothing he cannot deal with or embrace." [2]

We all are requested to practice such a love. We all have the potential. And we can ask True Father, Heung Jin Nim and Jesus to guide and teach us on the way of true love.

Love from Bruno
