

European Blessing Preparation Workshop – October

David Hanna and Geros Kunkel
July 4, 2013

It is my great pleasure to inform you about the upcoming European Blessing Preparation Workshop. It is very important as we prepare ourselves for the Matching and Blessing that we have an in-depth understanding of the Blessing and the process of the Matching and Blessing.

A Blessing Preparation Workshop is a requirement for all who wish to attend the blessing and is designed to assist all candidates preparing for the matching or those matched preparing to go to the Blessing.

The Blessing Workshop will be a time for the participants, both the parents and the 2nd Generation members, to prepare for the Matching process and the Blessing (the next Blessing Ceremony will be held on February 9th, 2014). We will use the time to go into the meaning and process of the Blessing in detail, and how we can and should prepare ourselves, in our hearts as well as practically, to attend God and True Parents through the Blessing. There will be time to share together, and also to discuss any personal situations.

Please note that people who have not attended a Blessing workshop will not be eligible to attend the Blessing.
