

A unificationist pilgrimage to Jean Calvin's birthplace  
Noyon, March 1, 2025

# Context of the pilgrimage

- Recently, several leaders of FFPWU-France visited Jean Calvin's birthplace in Noyon, 75 miles North of Paris
- Following the graduation ceremony of a spirituality workshop that had taken place in France, Reverend In Pyo Moon, president of the EUME Cheonbo branch, guided a delegation of 33 Unificationists to visit the museum,
- The museum has strong ties to Korea. (the visitors are mostly Korean and the captions of all the items displayed are written in French and Korean).
- When we arrived at 2 p.m., 15 Koreans were there, and among them, several Presbyterian ministers serving in France.
