### Faith & Growth Stories

#### *Reflections of the Seminar*

*During the 40-day workshop, I witnessed lives transform. Testimonies revealed healing, growth, and a deep reconnection with Heavenly Parent and True Parents. This isn't just learning it's renewal. Hearts opened, barriers fell, and spirits ignited. I'm committed to this path of faith, guided by Heaven's love.*

*B. K.S, Burkina Faso.*

#### *Capitan Inoue Testimony*

*The captain's testimony reminded me that we are Heavenly Parent's and True Parents' children. God created nature to help us recognize our value on Earth. Beyond knowledge, we must also enrich our lives through experiences in the natural world.*

*P. C.R, Malaysia.*

#### *Dr. Moon Lecture*

*I feel challenged to shift my perspective toward love. I've seen myself as spiritual, not intellectual, but this workshop showed me the power of love as a guiding force. It pushes me to grow in ways I hadn't considered, shaping my thoughts and actions with greater purpose.*

*H.P - Zimbabwe.*

### ***Pilgrimage to Imjingak***

*Visiting Imjingak, I deeply felt the weight of history. The pain of one people divided by ideology and spiritual struggle. It made me reflect on our role today. As Unificationists, we are the central figures of this providential age. When we read the Bible, we often think, "They should have united." That realization struck me: I must unite with True Mother, so future generations won't look back and ask, "Why didn't they unite with the Only Begotten Daughter?" This experience reminded me of the urgency of our mission and the importance of standing together in faith.*

*O. S.Y, USA.*

### ***True Parents live course***

*Throughout this journey, I have learned so much, constantly reminded that new wine must be poured into new wineskins. In this new era, we cannot cling to the past, we must embrace the living words of truth to guide our path. Above all, I have come to deeply realize the significance of the Only Begotten Daughter, the substantial Holy Spirit, True Mother. Now, more than ever, the most crucial calling is to unite with True Mother and walk this path as one.*

*H W.C, Taiwan.*
