I hope you're doing well

1474th Tianxin Garden all night sincere

Summary

Today, the 109th day, 9 degrees below zero here at the snow slope, and even in front of the detention center, 60 people are doing their best by replacing us. Applause of appreciation. There are 1943 participants in the Shin Nippon Tenshin Kyouono 3-day training session from the first to the fourth. It seems like a coincidence, but I am convinced that the god Japan was born completely united with your mother as a gamudoji, the same year as 1943. If you become a valiant warrior who moves the heavens, bewitched by heavenly parents, true parents and mothers of heaven and earth, absolute good spirits, and rush like a red horse, you will be surprised.

Second generation proof of mentality

I have lived a hard life due to bad relationships with my mother, but this time I took a spiritual training session, I confessed my faith that my mother's love was linked to my true mother's feelings, and I became completely united with my true mother. Thanks to the mother who sent her to spiritual practice with love, and it was a day of joy for her. In the family pledge, we say, "I pledge to complete the family principle of a lion at home, a loyal servant in state, a saint in the world, and a holy child in heaven," but in fact, there are so many people against motherlessness.

Mothers spew words that would cause heartbreaks, but "Still, mother is the one who loves the greatest and devotes her devotion." "I'm sorry I couldn't repay the favor to your mother." The practice of Tenshinken is the place to revive such amazing feelings of Confucius, where those who have died through the sincerity of their mother come back to life, and those who have been unhappy with their parents come back to repentance.

When praising "Let's return to our fathers," it was an emotional time that I couldn't praises with tears. I was able to be a son of love.

It is reported that the head of the Kimmyung Ok Center has been conducting a rally around Africa for a long time with the love of your mother in place of your mother, and today is Africa Day. Africa is a land of grudges, so many spirit worlds descend and become the land of divine spirits. I wish a leader will emerge from the land of Africa who will lead the so-called spiritual age in the 21st century. Today I believe that Heavenly Fathers and Mothers are alive and in charge, and that the authority of the true Fathers and Fathers of Heaven and Earth is to remove the grudges of African chiefs and act as part of them, and I hope that today will be a night that will move the spirit world, and pray with absolute faith, absolute love, and absolute obedience.
