In 1994 the True Parents of Heaven, Earth and Humankind established a volunteer organization called the 'Aewon Volunteer Corporation.' On November 13, 2014, some 40 members of the steering committee of this organization attended a program for internal training, centering on the Chung Pyung Holy Ground.

The program began with important remarks delivered by Dong-won Jeong, Secretary-General of Aewon, at the CheongShim International Youth Center.

Next, Man-ho Gim, Secretary-General, FFWPU International HQ emphasized to all the participants that the 'Unification Church is not a religion confined to getting people into Heaven, but is a religion which is to train families in love, and through the actual practice of love, to construct Heaven on Earth.' He also gave a short general introduction to the Chung Pyung Holy Ground, and its various attributes.

The participants next enjoyed watching a video about True Parents' life and achievements. Following the video, Rev. Myeong-gwan Lee, Vice-President of Chung Pyung Holy Ground, took the stage and offered a special lecture in which he emphasized that the Chung Pyung Holy Ground is the place where the amazing works of Heaven are gathered from the past and from the present. He also spoke about the future plan and vision of Chung Pyung.

The participants then took part in a tour to the Cheong Jeong Gung Museum, and to other major facilities of the Chung Pyung Holy Ground as well. They were impressed and deeply moved with the leading-edge technology and majestic beauty of the Cheong Jeong Gung Museum and the CheongShim Peace World Center.

Moreover, the participants were able to receive abundant grace from the beautiful and araceful configurations of the Chung Pyung Heaven and Earth Training Center. They experienced the Cheongseong Wanglim Palace (Heavenly Palace), received brief introductions, and took the opportunity to offer earnest prayer at the Cheongshim Tower and in the Cheongshim Won (Prayer Hall).

The Aewon Volunteer Steering Committee is composed, for the most part, of Peace Ambassadors and individuals drawn from the general public at large; nevertheless, they graciously and sincerely offered prayers to Heaven in the Prayer Hall.

Mrs. Geum-sug Hwang, the Chairwoman of Aewon, testified that her experience of the day, was that 'people who attended the program, could realize once again the great achievements of the Rev. Sun Myung Moon. Furthermore, the Peace Ambassadors, in order to reciprocate with the great love they received through the program, determined to have greater courage and to exert greater energy in order to support True Mother from now on.' She added that, 'through my tour of the Holy Grounds and Heavenly Palace, it inspired me to really want to see Rev. Moon. Hopefully, Rev. Sun Myung Moon's thoughts for the peace and unity of humanity will continue to flow just as the water flows in a river.'
