The Chung Pyung Heaven and Earth Training Center was full of members from all around the world. The report below would like to briefly speak on the '21days NER Leaders' Seminar.'

On September 24, the 21days NER Leaders' Seminar centering on Russia came to a successful end.

President Alexey Savelyev of FFWPU Russia testified the following "I felt that good spirits sat next to me while I prayed under the tree of blessing. I heard an inner voice telling me to 'preach to these spirits' and I immediately got up to prepare a lecture on the Russian mission work: its vision and mission. I also lectured on the reunification of North and South Korea and the responsibility of Russia. During my lecture I felt tremendous spiritual power over me and I could not help but shed tears."

Russia Volga Church Leader Mikhail Vladimirovich Fedosov said "whenever I prayed under the Tree of loyalty, I felt True Father holding my right hand and True Mother holding my left hand." Leader Alexander Timofeev (from Ural region) said that "the moment I prayed under the Tree of blessing confessing my lack of faith and asking 'to feel the existence of God,' I experienced tremendous tears running down my cheeks due to my deficiency and foolishness."

Latvia Church Leader Oskars Bergs was overjoyed that "although my wife had to be hospitalized during her pregnancy, I decided to let fate do its work by fasting for 3 days. On the 3rd day I was told my wife could leave the hospital because she was in a much better condition and hearing this news made me realize that indeed Heaven work through us." Ms. Olga Gavrilina, wife of Vice President FFWPU Russia said "I was extremely touched by Elder Kang, Duk Rae when he said 'I offer prayer conditions at 3 AM every day.' That night when I fell asleep a voice told me 'It's 3AM!' I woke up with a shock but to my surprise it was exactly 3AM. I believe, through heaven's voice, I was being reaffirmed that there is nothing impossible in front of true Parents' conditions."
