October 23, 2016

With True Parent's sincere devotion, at the Jeongshim Won Prayer hall on the first day and third day (solar calendar, Oct. 23), The True Parents of Heaven, Earth and Humankind opened up the fulfillment of Wish Prayer as a channel for our members to connect with so that we can untangle our spiritual knots and remove the resentful spirits so that we can live a healthy life immersed in True Parents' love.

The Special Prayer Room Prayer was also held.
