On 2.13-14 in the 5th year of Cheon Il Guk of the Heavenly Calendar (solar calendar, March 10-11), The 1360th Hyojeong Chung Pyung 2-day Workshop was held. A total of 800 people from all around the world applied for the 2-day Workshop. They participated in the Chanyang Yeoksa and Ancestor Liberation and President Gi-seong Lee read True Parents' words at the opening ceremony.

"You have to walk this path with the heart of a parent, in shoes of a servant, and shed tears for humanity, sweat for earth, and blood for heaven. Only then will humanity, earth and heaven be grateful for your tears, sweat and blood. God comes only on the foundation of an offering. This is why the members of the Unification Church must go through the age of offering on the individual level, fulfill the offering on the level of the people, and then move forward on the path of the world offering."(Chambumo Gyeong, Book 8, Chapter 1, Section 1-9)

After that, President Gi-seung Lee gave a message, with the title, 'Be a master of the new spring, become like a miracle.'

On the second day, the Ancestor Liberation Ceremony was held. At 11 am, the Spirit and Physical World Matching began on the 5th floor of the Chinhwa Education Building. Following the congratulatory message to the family members who received the Spirit and Physical World Matching, President Ki-sung Lee read True Parents' words about it and gave a benediction afterwards. Then, the time for the admission of their spirit partners was proclaimed from the spirit world, and there was time for having a conversation and sharing between the people on earth and spirits.
