Following Asia, the World Tour continued passionately in the African Continent. A total of 3,493 family members from 34 countries attended the African Tour. The 'HyoJeong Chung Pyung Special Event' carried out through the work and grace of True Parents of Heaven, Earth and Humankind, took place in French and English interpretation. Main programs included 'Heavenly Tribal Messiah Education' by Regional President of Great Africa Rev. Bakary Camara, 'Education on Cheon Il Guk' by Director Witnessing & Education Department Rev. The video of Chung Pyung specially demonstrated the impressive beauty of HyoJeong Cheonwon Chung Pyung Holy Ground. During chanyang, a strong spiritual whirlwind took over everyone, vibrating their soul and causing people to speak in tongues. Some of the main programs included Ancestor Liberation Ceremony, Ancestor Blessing Ceremony, Prayer-Wish Offering Ceremony for Restoration, Spirit World and Physical World Matching. Members and leaders received endless grace through sacred ceremonies and prayed sincerely while thinking of the grace of the HyoJeong Wish Fulfillment Paper for the Inheritance of Heavenly Fortune. Members joined the blessing and grace of cleansing the mind and body centering on True Parents' providence and they deeply thanked True Parents for Their love of Africa and for allowing the Chung Pyung Works to be carried out in Africa. Below, we would like to share a summary of the four workshops and people's testimonies of grace.

For 3 days, from October 24, 'HyoJeong Chung Pyung DR Congo Special Event' was held and a total of 1,451 participants from 4 nations of DR Congo, Angola, Congo and Central African Republic attended the Special Event. On the first day, the chanyang yeoksa took place in the yard of a school next to the church, which resembled an old outdoor theater of Korea. Because the place had only few lightbulbs, we were all enveloped in darkness with the sunset. Even in the darkness, where we could not even identify

each other's faces, everyone continued to give enthusiastic praise. On the second day, the place was moved to the Catholic training center which was big enough to accommodate all the participants.
