Gi Seong Lee
November 3, 2017

The opening ceremony of the Great Works was held in the main hall at the Cheonseong Wanglim Palace at 8:00 pm on the first day of the event (November 3, 2017). At the ceremony, Pres. Gi-seong Lee read True Parents' Words as follows:

"Our land in Chung Pyung must become the worldwide fatherland, the hometown of heart for all people. I prayed that it would become a land that could connect heaven and earth, completing the victorious ideal of creation, and be revered by the cosmos, liberating the heart of God. I prayed also that it would become the sacred ground that would be the homeland of the world." (Understanding True Parents' Chung Pyung Providence)

"From now on, if there is unity with True Parents, there will be miracles. If you invest yourself in prayer and devotion, your problems will be solved. This is possible because the spiritual base is already prepared. It is time for spirit world to support us automatically. Through the foundation established by investing 21 years of devotion, the automatic system has been set up. Father went to spirit world and completed the work to set up the system for heaven and earth." (Understanding True Parents' Chung Pyung Providence)

Pres. Gi-seong Lee delivered the following message entitled 'Kindle the lights in Africa', which was composed of True Parents' words at the Cheon Jeong Gung on October 10, 2017):

"Today we are blessed families and blessed central families. If we have absolute faith as a family of Heavenly Tribal Messiah and we set up the relative standards, we can fulfill the role of the blessed central families, and Heavenly Parent would work on us and give us blessing. Even though now is the time that we can achieve anything by Heavenly Works, we are grumbling and lamenting without recognizing it. I wish you all the best for your new start through this Great Works. Aju."
