"The command center of cosmic peace and unity is the absolute and unique command center. Its **representative and heir is Hyung Jin Moon**. Anybody else would be a heretic and one who brings things to destruction. The above content is True Parents' proclamation."

Yes, I believed it with all my heart until Hyung Jin Nim left his position and turned himself into a monster. The sweet and gentle Hyung Jin Nim, we knew when Father was with us, is totally a different person today, so full of bitter and resentment, "Hate" and insult towards his own mother- the one that gave birth to him and gave him life. Sanctuary Church members, the devil got you from your necks and clouded your souls, so that you can't see or feel. As the Bible says "you shall know them by their fruit". Tell me what fruit did your fake king brought to the world and to God-True Parents' providence? Name one thing... go ahead....But I let me tell you few horrible things your fake king did...

1-separated our True Parents, by removing True Mother photo from True Parents portrait.

2-breaking apart the True parents which are

the foundation and pillars of our faith

3-divorcing True Father and forcing marriage on Father in his absence to an unworthy women, Mrs. [Hyun Shil] Kang

4-changing our church Sacred and holy symbol into gun selling logo.

5- creating a cult-like sect, the like of David Koresh cult group, forcing Sanctuary Church members to wear crowns made of bullets and to buy AR15 guns. These are the fruit of your fake king. Can he get worse than this? I wouldn't be surprised.

Also, Blessed members are the owners of Cheon Il Guk. And yes, this is my business! Anyone mess with True Mother is messing with me, including these True Child idiots! True Mother -- True Parents have thousands of sons and daughters who loved and revere them forever. I think should be enough for you Sanctuary Church members.
