All members need to stay until the evening of July 28 because there will still be a special lecture on Cheon Il Guk Constitution after the Ancestors' Blessing. They may depart after dinner of July 28. Other members from far places may still sleep at IPLC on that day and depart in the morning of July 29. Please note that breakfast will no longer be served on the 29th.

III. VENUE: IPLC, Tanay, Rizal

IV. REGISTRATION FEE:

PHP 700 (For Members 13 years old and above)

PHP 350 (For Members 4 to 12 years old)

Free (For Members 0 to 3 years old)

The Ancestors' Liberation and Blessing Fee is separate from the registration fee. We are requiring members to pre-register in their regional churches so it will be easier for them when they attend the event itself. Philippine HQ already has the copy of the liberation files of all Filipino members in the Philippines. Thus, you may request it in advance from HQ so you will know ahead of time how much you need to prepare for the liberation fees.

The registration fee will not cover the transportation going to the venue. All local churches/ individual members should arrange for their transportation.

V. HOW TO REGISTER FOR ANCESTORS' LIBERATION AND BLESSING

- 1- Fill out the Ancestors' Liberation Form
- 2- Select the generations you want to liberate.
- 3- Write down any collateral you want to liberate
- 4- Fill out the Ancestors' Blessing Form
- 5- Select the generations you want to bless

After completing the forms, regional leaders should assess the fees/donations to be paid for the liberation and blessing. For queries, please approach your local leader or you may email your concerns to the Philippine HQ c/o Ms. Ria Ame. You may also reach her at Chung Pyung# 09178427800.

All ancestors' liberation and blessing fees and forms should be submitted to HQ not later than July 22, 2014.

All back payments should also be settled before you can apply for ancestors' liberation and blessing.

Partial payments will not be accepted this time.

VI. WHAT MEMBERS SHOULD PREPARE

- (1) FM radio, beddings, white T-shirts, dark comfortable jogging pants, blessing robes and blessing ring if they will do ancestor blessing, registration fee, liberation and blessing donation, wish paper donation, etc.
- (2) Members participating in ancestor liberation must offer special devotion of 21 days of 50 full bows or breakfast fasting. These conditions should be done before the event, but if there is no time, please make sure to fulfill them after the event.

(3) The event schedule must be strictly followed. All members must register for ancestor liberation and blessing before the event at their churches. The churches must collect all registration forms and donation and have them ready to turn in on July 22, 2014.

VII. NOTES

- You cannot bless the same generations you are liberating. You need to wait 100 days after the liberation to apply for blessing.

- Liberation and Blessing Fees:

For Ancestors' Liberation- 100 USD for 1-7 generations (100 USD each for Mother's Side, Father's Side, GMF and GMM)

10 USD for succeeding sets of 7 generations

For Ancestors' Blessing -- 100 USD for 1-7 Generations (Mother's Side, Father's Side, GMF, GMM)

10 USD for succeeding sets of 7 generations

Liberation and Blessing after 210 generations

The liberation of 211 generations and on will be done by Dae Mo Nim and the absolute good spirits, but the blessing needs to be applied for by the descendants. Dae Mo Nim said that the descendants need to make a condition so that the ancestors can drink holy wine to remove original sin.

When you apply for the blessing of 204-210 generations, Dae Mo Nim will automatically liberate 211-217 generations in that same workshop. 100 days (or more) after the liberation of 211-217, you can apply for the blessing. When you apply for the blessing of 211-217, Dae Mo Nim will automatically liberate 218-224 generations in that same workshop. This process is repeated.

Please note that you can only apply for 7 generations at a time after 211 generations.

- Collateral Liberation: USD 20

- Wish Paper: USD 40

- Self Liberation Reservation: USD 20

To apply for self liberation reservation, you need to have BLESSED at least 140 generations of father's side and mother's side, and the donation is the same as collateral liberation based on your nationality, or the standard you offer for ancestor liberation.

Thank you very much. Please inform all brothers and sisters in your area so that they could participate in this very important and providential event. May Heavenly Parents' blessings be with you and your family at all times.

Sincerely yours,

REV. JULIUS B. MALICDEM
National Leader and Cheon Il Guk Special Envoy
