<ABOUT THE EVENT>

1 MILLION RALLY OF HOPE PHILIPPINES VIRTUAL SUMMIT

Our world is in crisis. We are battling an unknown virus and are desperate for solutions. The economic impact is devastating and our road to recovery is uncertain. Intolerance among races and classes has gripped our global community as people demand justice and social change. In addition to all these, Mother Nature is suffering due to the effects of climate change.

The Rally of Hope Philippines that will convene on February 6, 2021, 3PM- 5PM will be a global platform for international and Filipino dignitaries to amplify their collective voices in humility and prayer beseeching heaven's intervention during this time of unprecedented tragedy. Through inspirational messages, speakers will explore the opportunities for peace at the individual, family and national levels by building on the common ground we share as one human family under God.

The event will feature a donation drive for victims of the calamities that swept our nation recently and to support the "Billion
