

A Letter signed by both the "Speakers" of the UK Parliament

London, United Kingdom, 14. January 2014

A letter signed by both the "Speakers" of the UK Parliament - John Bercow, Speaker of the lower house (The House of Commons) and Baroness De Souza, Speaker of the upper house (House of Lords). It thanks UPF very warmly for its contribution to "Parliament Week" which was the official parliamentary event that our ELC on November 21st - 22nd formed part of. It is a reflection and recognition of about 10 years constant investment by UPF in activities at the UK Parliament which included True Mother's speech there in 2011.

Dear Robin,

Parliament Week 2013 was the biggest, the best and the most diverse yet, and we would like to thank you for helping to make it happen. Universal Peace federation represents one of 230 organisations that signed up to be Parliament Week partner, and without your effort, creativity and hard work, the week would simply not have happened. It is inspiring that so many organizations partnered with Parliament Week this year and committed to putting on such a diverse and creative programme of events; the quality and variety was astounding. Many events took place outside Westminster; giving people all over the UK ways to connect with, celebrate, discuss and challenge Parliament and parliamentary democracy.

For some people Parliament Week will be start of a closer relationship with their democracy. We hope that many more people will be inspired by your own event to find out more about what happens in Westminster, in their local community and about the many ways they can make their voices heard.

Thank you once again and we hope that you will take part in Parliament Week in years to come.

Yours sincerely,

RT Hon John Bercow MP
Speaker of the House of Commons

Rt Hon Baroness D'Souza CMG
Lord Speaker
