

UPF UK: Deeply Mourns The Passing Of The Late Queen Elizabeth II

Keith Best
September 9, 2022

Universal Peace Federation UK deeply mourns the passing of the late Queen Elizabeth II who inspired so many with her constancy, compassion, decency, dignity and duty during the many troubles in her long reign. In our endeavours for greater peace in the world, we all can learn and prosper from her fine example of a life of devoted service to her people.
