This year, something incredible happened. With your support, *our Awaken Retreats empowered hundreds of women in the Bay Area, Pennsylvania, and Chicago.* These retreats offer more than a break from daily life—they are sacred spaces for women to explore who they are, let go of limiting beliefs, and step into their true identities. Each Awaken Retreat is designed to help women shed negative narratives and embrace a renewed sense of self. Through guided sessions, shared experiences, and collective support, attendees find strength in their stories and joy in discovering themselves anew.

“The entire retreat AWAKENED and rekindled me. My old self is now renewed, refreshed, revitalized. I realized that I truly never was lost. I am loved, valued, and others may not see me, but I see myself.”

— Awaken Participant

For many, the experience is life-changing. They leave feeling seen, understood, and more confident in their own worth and purpose.

As we look toward the future, we want to expand our reach and *bring the Awaken experience to women across the United States.* Next year, our goal is to host more retreats, in more locations, and empower even more women to awaken to their true selves.

Your Support Can Make This Possible !!!

Will you help us bring the transformative power of Awaken to women everywhere? Every gift directly fuels our mission to create empowering retreats that allow women to reconnect with their identities, discover a supportive sisterhood, and step confidently into their potential.
