**Help Our Ministers Travel to Korea in 2025!**

Dear Brothers and Sisters,

We have an exciting opportunity to support our ministers on a meaningful journey to Korea for the April 2025 Azalea Festival. Our goal is to help seven minister couples cover the cost of airfare and other expenses, ensuring they can experience this inspiring event.

We've set up a GoFundMe to make this possible, and any donation—big or small—would mean so much. Every contribution will be evenly shared among those attending.

You can donate [here](#).

Thank you for your generosity and support.

Help our ministers come to Korea!

Dear community, our goal is to bring **7 minister couples to Korea** for the April 2025 Azalea Festival. As you know, it is an expensive endeavor, and **it would inspire our ministers so much to receive some help to pay for their airplane tickets and other fees.** The proceeds of this fundraiser will be split evenly between whichever ministers end up coming.

We thank you for any donation you can give!

## **A New Era: Understanding Heavenly Parent's Dream and Our Responsibility**

Brothers and sisters,

We are living in **the most incredible time in history**. A time when **Heavenly Parent's dream**, a dream that has spanned thousands of years, is finally **within reach**. This is not just another moment in time—this is **the time of fulfillment**, the time when we, as **God's chosen people**, must stand **in unity with True Parents** and bring the world **back home**.

From the very beginning, Heavenly Parent had a **beautiful plan**—to create a **world of true love**, where parents and children, husbands and wives, brothers and sisters would live **in harmony, in joy, in the fullness of God's heart**. But as we know, **this plan was delayed**. Adam and Eve were given a great responsibility, but they **lost their way**. They chose to **separate from God**, and from that moment on, **history became a path of restoration**—a long and painful journey to find our way back to **Heavenly Parent's embrace**.

But God **never gave up**. When Jesus came **2,000 years ago**, it was to **complete this dream**. He was to find **the Only Begotten Daughter**, and together, they would become **True Parents**. But the world did not recognize him. He was left alone, and his mission was left **unfinished**. Christianity was born out of his sacrifice, but even Christianity did not fully understand his original purpose.

For 2,000 years, **Heavenly Parent prepared again**. And in the year **1920**, a new hope was born. A young man in Korea, **Sun Myung Moon**, was chosen by Jesus himself to **complete the mission**. He was given a sacred task—to **find the Only Begotten Daughter** and to finally establish **True Parents on earth**.

And then, in **1943**, a **miracle happened**. The **Only Begotten Daughter, Hak Ja Han**, was born, prepared and protected **by Heaven**. She was the one the world had been waiting for. And in **1960**, history changed forever—the **Holy Wedding of True Parents** was held. For the first time in history, **God could be present on earth as True Parents were established**.

But, my brothers and sisters, did the world recognize them? Did Christianity **embrace True Parents**? No. **Why?** Because the world had only been prepared for the **Only Begotten Son**, not the **Only Begotten Daughter**. People misunderstood. Even within our own movement, we **did not fully comprehend** the role of True Mother.

For **53 years**, True Parents walked a **wilderness course**, facing rejection, persecution, and misunderstanding. Yet, **they never stopped**. They **blessed families**, built a **worldwide movement**, and laid the foundation for **Heavenly Parent's kingdom**.

Then, in **2012**, Father Moon ascended to the spiritual world. And in **2013**, **True Mother** stepped forward and proclaimed the **beginning of a new era—Cheon Il Guk, the kingdom of heaven on earth**. And yet, **how many of us truly understood what was happening?** How many of us

still struggled with the old concepts, still seeing things from a **male-centered perspective**, still failing to grasp the **full truth** that True Mother was revealing?

Brothers and sisters, **True Mother is the key**. She is revealing what was **hidden for centuries**—that **the Only Begotten Daughter is just as essential as the Only Begotten Son**. That God is not only **Heavenly Father, but also Heavenly Mother**. That **restoration is over, and it is time for fulfillment**.

True Mother has been tirelessly **building God's kingdom**, bringing the world to a new level of understanding. She has given us **Cheon Won Gung**, the new **temple of Heavenly Parent**, a home where God **can finally dwell on earth**. She has been calling Christians, Muslims, all faiths, all people, to **unite as one heavenly family**.

And now, my brothers and sisters, the question is **what will we do?** Will we **stand with True Mother?** Will we **finally open our eyes** and see the **providence unfolding before us?**

I tell you today—**this is our moment**. We are no longer in the wilderness. The doors to **Heavenly Parent's kingdom** have been opened, and we must walk **boldly forward**.

So I ask you, **are you ready?**

Are you ready to **unite with True Mother?**

Are you ready to **embrace the Only Begotten Daughter** and proclaim her truth to the world?

Are you ready to **become true sons and daughters of Heavenly Parent**, taking up your responsibility as the **chosen people?**

Then **let us move forward together**. Let us **cast off the misunderstandings of the past**. Let us **build the culture of love and peace** that True Mother has been longing for. Let us finally bring **joy to Heavenly Parent**.

The time is now.

True Mother is calling us.

And we must answer.

Thank you, and may Heavenly Parent bless each and every one of you.
