

Belvedere Family Community: Pastor Justin's Letter to Members

Justin Okamoto
March 7, 2025

Dear Brothers and Sisters,

I hope this letter finds you well. Thank you for being a valuable part of our community. I appreciate all of your support and efforts throughout the years.

As you know, we are entering the final 40 days before the historic Entrance Ceremony to the Cheon Won Gung Cheon Il Sanctum on April 13, 2025. Our True Mother is preparing the best offering for our Heavenly Parent. She is inviting us to join her and welcome God home and open a new era. You can learn more about the Cheon Won Gung project here: cwg.familyfed.org

America has pledged to offer \$10 million to support this historic endeavor, and our community's portion of responsibility is \$347,081. So far, we have raised \$240,738 from 38 families from our community. Thank you so much to those who were able to give so far. Thanks to your generosity, we have reached over 69.4% of our pledge. But we need additional contributions to reach our goal, and we would like to encourage all our families to give, so that we can all partake in this culminating moment in the providence. I know that every family has their own situation and so please know that no matter what your offering amount, Heavenly Parent and True Parents are grateful and more than the amount we hope everyone can participate.

We also received confirmation that those who are able to make the original requested amount of \$16,800 or more by March 26, will have their names inscribed in the Cheon Won Gung, which will remain as a precious family legacy for posterity. From FFWPU-USA, we will also be awarding commemorative coins (bronze, silver, gold, platinum, and diamond) to our donors based on the level of offering, to express our appreciation for your support of this global project.

If you have already given, please consider reaching the next level of offering. And if you haven't given yet, please don't miss this opportunity to be a part of this historic offering. My hope is that all of our families can participate. You can make your offering through this link: hsa.givingfuel.com/cheon-won-gung-fund

In addition, True Mother is inviting all of us to receive Special Grace to cleanse and purify ourselves as we prepare to start anew together with our Heavenly Parent. I hope everyone can join and receive the Special Grace. Everyone is welcome, you, your family, your friends, those we haven't seen for a while, and those whom we just met. Learn more and register for special grace here: familyfed.lpages.co/special-grace-2025

Thank you again for all that you do, and let us all join together in making a wonderful offering from America.

With gratitude,

Pastor Justin
