Garden To-Do's:

Help us keep the garden healthy and beautiful!

Thank you to everyone who's been lending a hand - your support keeps the Peace Garden growing strong!

Help Us Welcome and Support Our Missionaries!

For the first time in many years, we are blessed to welcome a team of missionaries to our community! They will be serving by supporting programs, engaging in outreach, and sharing their passion and faith.

The first group of 3 interns from Korea and Japan arrives Sunday, Aug 31st, with more joining in September.

We're raising \$2,000 to cover their living expenses and provide resources for them to be creative in their mission work.

Additional Support: If you are available to help in other ways - such as offering a meal or joining their activities - please reach out to Pastor Justin.

For the first time in a very long time, Belvedere Family Community is being blessed with a group of missionaries coming to support our community. We are very excited to welcome them not only for the support that they will offer but also to be a part of their spiritual journey and development as future leaders of the movement and society.

These missionaries will be helping to support our community both in in-reach, making our community programs even more exciting, vibrant, and welcoming, as well as outreach to help connect with the larger community and invite people to get to know our wonderful community.

In total, we are expecting to receive around 8 missionaries. The first of which will be a group of 3 interns from the UPA program from Korea and Japan arriving Sunday, Aug 31st. The second group will be from the Next Gen Missions program, led by a Heavenly Top Gun Missionary from South America and Hanna from Advance, expected to arrive in early to mid-September.

The funds we raise here will be used to support their living expenses and provide them with resources to get creative in their mission and witnessing approach. Let's support them as a community. Thank you and God Bless.
