

Belvedere Family Community: A Call to Prayer for True Mother

Dear Belvedere Family,

In these days, our True Mother is carrying an especially heavy burden. Though she is still recovering from recent health challenges, she has chosen to appear voluntarily in response to official summons by the government of Korea. This is an extraordinary act of faith and devotion, but it also places her under great strain.

Because of this, it is an urgent time for us, her children, to cover True Mother with our prayers. She is standing on the front line for Heaven and for all of us. The least we can do is surround her with our hearts of love, faith, and protection.

I ask each of you to take time between tonight and tomorrow morning to pray for True Mother - for her health, her safety, and for Heaven's hand to be with her. Whether you pray in your home, in small groups, or gathering in the Cheon Shim Won, please lift her up with sincerity. Some may also feel moved to fast, gather in fellowship, or offer special devotion. However you choose, let it be from a heart of filial love.

Now is not a time to be shaken by fear or confusion. Instead, it is a time to stand united with True Mother's spirit, to show Heaven our faith and devotion, and to draw strength from one another as a community.

May our combined prayers become a shield of love and strength for True Mother at this critical moment.

With love and prayers,

Pastor Justin
