Candle Bequeathing Ceremony - This Sunday After Service

Hello Brothers and Sisters,

The Belvedere Community will hold a Candle Bequeathing Ceremony for the Holy Candle of the Tree of All Things this Sunday after Service at 12:00 PM in the Cheon Shim Won upstairs. All members are warmly invited to participate.

About the Holy Candle of the Tree of All Things

The Holy Candle of the Tree of All Things has traditionally been bestowed to members who attended the Autumn CheonBo Special Great Works in Korea each year. Since Great Works has become available online, regional and national leaders are now permitted to inherit and multiply the Holy Candle to members locally.

This Holy Candle connects members with True Parents' Heavenly Fortune, including:

- The Blessing of All Things
- The fortune for witnessing
- The fortune for conceiving children

Important Requirements

To receive this grace, members must register for the 2025 Autumn CheonBo Special Great Works.

Great Works Period: October 24 (Fri) - 26 (Sun), 2025

Period of Candle Inheritance: Until December 31 (Sun), 2025, 24:00

(Ceremonies held after this date will not carry the grace of inheritance.)

Only one Holy Candle will be bestowed per blessed family.

Procedure for Inheriting the Holy Candle

The inheritance ceremony must be led by a leader or an appointed representative and should follow this order:

- Holy Song
- Gyeongbae

Leader lights the seed Holy Candle and offers a representative prayer
Inheritance of Candle Light

Only registered participants of Great Works may receive the candle

Additional Notes

For those unable to attend the ceremony during the CheonBo event dates, the inheritance may take place at your local church after Great Works, as long as it is before December 31, 2025.

Through the Autumn Great Works, evil spirits that block the Blessing of All Things are liberated, allowing for a fuller experience of the grace connected to the Holy Candle.
