### **Belvedere Community Alert: Please Beware of Scam Emails**

Dear Belvedere Community,

It has come to our attention that there is a scam email circulating throughout our member's emails, inviting you to a birthday party.

Once you click the invitation, they will ask you to input your password and hack into your account.

We warn everyone to please avoid clicking on any buttons or links on these emails and to kindly let others know if you believe they got hacked.

Please take the time to change your password to your email for extra security and protection.
