### **Weekly Peace Starts With Me Thursday Program at Belvedere**

Dear Belvedere Family,

This past Sunday we welcomed our next gen missions team! Things are going to get more and more exciting.

We're excited to announce a new weekly initiative designed to support our witnessing efforts and create a welcoming space for youth and guests in our community.

We will begin hosting a Peace Starts With Me Event tomorrow, September 18, from 5:00 PM to 7:00 PM at Belvedere in Room A.

The purpose of this program is to provide a warm and engaging environment where guests and youth can connect with our community. We also recognize that it can be easier for guests to join an uplifting midweek event before being invited to Sunday Service.

#### **Program Flow (2 hours):**

Greeting and Icebreaker

Reading (short Hoon Dok Hae, plus a quote, Bible verse, and words from True Parents)

Discussion Questions for Pair Share

Short Guidance (with PowerPoint, introducing movement values related to the theme)

Small Group Discussions (reflection questions)

Closing and Group Photo

Each week will feature a different theme, making the program fresh, inspiring, and easy to invite friends and guests.

We hope you'll join us for this exciting new outreach and community-building opportunity. Your participation and support will help make these evenings a welcoming space for all.
