Dear Belvedere Family!

This is your Assistant Pastor Justin Okamoto. I just wanted to personally thank everyone who supported the June 5th event. It was a really historic occasion, using a new innovative approach to outreach and spread the message of our True Parents and the Blessing! Whether you were attending from home or joined the Belvedere watch party or another watch party, I hope you were inspired by the music, the messages, and the testimonies.

At Belvedere we had around 50 people come together to join the celebration, including several guests and minister contacts. I really appreciate the music team led by Raoul for putting together an awesome performance. We had a full band and a full stage of singers, as well as our Rumiko San being amazing as always on the piano. Also, I want to appreciate Kanae San and the Japanese sisters who helped prepare the meals, Andy Morris for coordinating the setup and all our ACLC outreachers for inviting your contacts led by my parents Julia and David Okamoto. Finally, thank you to our Pastor Dr. Kone who gave a fiery and passionate welcome to everyone.

Here are a few pictures of the event taken by our very own Masaya Funakoshi. Once again thank you so much for making this event truly special. Hope to see you all soon and God Bless!
