This family-level program is geared towards older teens & young young adults from the ages of 16-21, and is meant to help them form a strong foundation for their future matching, Blessing, and adult life. The content is rich, dynamic, and mature and only appropriate for elder high school youth and young college students. It is based on the level 1 Blessing workshop curriculum and modified to a family small group curriculum.

This program will be a 7-week program: 6 sessions ending with an in person family graduation.

Devoted is a family-level program for parents and children. As a result, in order to participate in Devoted, both parents & children MUST be committed to attending EVERY session together. At least one parent must be present for every session. The best way to prepare for the matching and Blessing is to grow together as a family!

Program Overview

This schedule is subject to change. Please note that due to the short nature of this program, only one (1) absence that is made up afterward is allowed, and the graduation is mandatory! Participants & parents join each week, but not all the education is received together. You must have two devices in order to attend.

WHAT TO EXPECT:

- Weekly live educational session for parents & participant (sessions vary being together & apart)
- Small group setting for participant with a team leader and 5-6 other same-gender peers
- Weekly homework for youth & parents
- One-on-one between the team leader & participant

EDUCATIONAL OUTLINE:

SR2 FAMILY MINISTRY TEAM PRESENTS

VIRTUAL PROGRAM

MATCHING SUPPORTER TRAINING WORKSHOP

OCT 23 & 24 | 2:00 - 4:30 PM EST

LEARN HOW TO SUPPORT CANDIDATES!

Supporting pastors, HTM members & parents to help candidates through the Matching & Blessing journey.

SAVE THE DATE!

Learn the ins & outs of the Matching Process to assist families of your community.

Pastor's approval letter is required to become certified.

The SR2 Family Ministry Team is organizing a **Matching Supporter Training** workshop that will take place on **October 23-24 from 2:00 to 4:30 PM Eastern Time**. The aim is to encourage more individuals to become certified as Matching Supporters, so that they can guide blessed children as well as single 1st gen and associates of any age (ACLC contacts, HTM contacts, etc...) to become qualified blessing candidates and find a match. The plan is to also support new Matching Supporters by having them work in trinities together with an experienced Matching Supporter as mentor, so they don't feel overwhelmed.

In order to become a Matching Supporter, the individual must be blessed for at least one year, and they will also require an approval letter from their pastor. Please spread the word about this training to your local communities, and also

feel free to attend as well! You can attend without becoming a certified Matching Supporter, just to gain the valuable knowledge about the matching process for yourself, as a pastor or a parent.

Registration Link: forms.gle/KnHDP3ebas3P86dm9

Deadline to register: **Wednesday, October 20th**

Dates of the training: **Saturday, Oct. 23 and Sunday, Oct. 24**

October 11, 2021

Induction

At this point everyone is approved on the Regional level. International has just started their evaluation. We expect to hear something soon.

Robes

Let your HTM Coordinator know of any issues with the CheonBo materials some have received. Is anything missing or if the robe does not fit, etc? We expect the ones that have not come to come soon. Approximately one-half of the couples did not receive their robes in North America.

Future Inductions

We are not really sure when the next one will be. The best thing to do is to work toward it in a systematic way.

Please submit any videos, testimonies, photos of recent CheonBo Induction ceremony for upcoming Tribe Call.

Instructions coming soon of what to do with donations and resolution papers received by Pastors
