

Future Fund: Project Bouncy Castle

Justin Okamoto is organizing this fundraiser.

Created 16 hours ago | Missions, Faith & Church

A wise person once said:

I believe the children are our future
Teach them well and let them lead the way

How true that is! As a community I want to do more to really create a space for our kids to feel safe, make friends, have fun, and develop their character and life of faith. What does a bouncy castle have to do with that? Well, everything!

I remember all the struggles that I went through growing up and I always find myself thinking, all of this could have been avoided if Belvedere just had a bouncy castle growing up. Okay, I'm joking, but I do honestly believe one of the most beautiful noises in the universe are children's laughter and one of the most beautiful things to see is children playing and getting along together. Let's make that possible together!

I'm fundraising so that we can buy a nice bouncy castle for the Belvedere Family Community Sunday School. We are currently preparing for our first one-day kids workshop where we are inviting kids from all over the Tri-State area (NY, NJ, CT) to join together. We already have about 30 kids registered to come.

If you have the heart to support please do!

This is the link to the castle we want to buy.
