

## Belvedere Family Church: Notice regarding in-person Sunday Service

Dear Brothers and Sisters

As of now, we are planning to return back to in-person Service, Sunday at 10 am.

The massive spike that we saw in the past few weeks has gone down substantially.

There is still a New York State mandate in place requiring all who attend to wear a mask while indoors.

Please be on the lookout however as there is a storm warning this weekend.

In the case that there is heavy snow, Belvedere will have to be closed.

Sincerely,

Pastor Justin
