

Belvedere Family Church: SR 1 - Meeting for Parents and their young adult children

Dear Parents,

From the middle to the end of last year meetings were organized by Soon Mee Iwasaki for parents and their young adults to speak about the matching and blessing in a very natural way. I participated in these meetings, representing the BFM voice. The meeting was just for the immediate area surrounding Philadelphia.

We are now extending these meetings to all Parents and their adult children of Sub-Region 1.

It took a while to arrange this, so I apologize for the late notice. If you cannot attend tomorrow I completely understand.

These meetings are pre-scheduled - once a month. You may attend all of them or just some. It is up to you.

Goal of the meeting:

1. Give opportunity for Parents to share experiences, good, bad, and ugly about the Matching and Blessing to help everyone else present.
2. Give opportunity to share life and see each other smile, laugh and cry.
3. Educate - make sure that Parents are well rehearsed about all matching and blessing affairs so that if given the opportunity of a talk with one of their children, they will know what to say and what not to say.

For whom are these meetings:

1. For Parents of SR1 sub-regions
2. For young adults of SR1 sub-regions

Also invited to these meetings are SR1 Matching Supporters.

Registration is required to receive the link for these meetings. Schedule of these meetings are listed at the end of this mail.

With gratitude, always,
