On February 4, we will hold our 2nd AFP meeting. 9:30 pm. This is mainly for people who are already nominated and appointed as ambassadors. I've included the flyer below with more detail. If anyone nominated someone many years ago and still has a connection and feels this meeting could be good for them please invite them or if you have an interest in being in the meeting and participating in the discussion and listening to the report of ambassador Bishop Moies who went to Haiti and started a Peace movement there. He was so inspired by the motto of UPF which is Interdependence, Mutual Prosperity, and Shared values. He was originally going to Haiti as a minister but when he got his AFP appointment he went as an AFP he felt it gave him more credibility and he was able to reach a wider audience so he is on fire now to be a peace ambassador. He will give a 15 min report. Then Barry Geller UPF leader for SR1, will give some education and we will have a 20 min discussion led by our Pastor Justin.

We will also have a prayer breakfast for ministers on Feb. 25 which will focus on the blessing.

If you are coming please let me know so I can be prepared for you.

Hope you can join us.
