Dear Brothers and Sisters

This Sunday we will be having spring fest. This will be a great chance to introduce friends and family to the community as well as enjoy being together. We will put out the bouncy castle again for the kids, and for the adults there will be an opportunity to fellowship while contributing towards our new community garden!

We are excited to begin working on our Community Garden this Sunday 3/12! Come join us!! We will be creating two garden beds. Make sure to wear/bring clothes you don't mind getting dirty and bring garden gloves if you have them. No experience necessary and all are welcomed. We hope to see you there as we learn to be one with nature and one with each other!

If you have any questions or concerns please contact Mika Rothstein or Dominic Barber.
