Vision Goals for 2024- Commitment as an ACES member!

Dear brothers and sisters!

This past weekend the new vision, mission and goals for the year 2024 were presented. Thank you all for your enthusiasm to support our goals, I have no doubt that with all your support and most of all the guidance of Heavenly Parent, we will reach and go beyond our goals for the year.

ACES

Active - Actively attending a BFC events at least 2X a month.

Contributing - Contributing at least \$40 a month per individual.

Education - Attended a membership course.

Service - Offering at least 2 hours a month to the community

After some feedback and consideration, I want to adjust the last point of the S for service. I had mentioned a 2-hour-a-month minimum but considering cases

such as mothers with young children and other situations I want to say that that is a suggested minimum and any amount of time that you can offer is something I and the team are grateful for!

That being said if you have not signed up already, the link below is the commitment form to become an ACES member. I think it is important that, as we start anew with these new goals, this new era, and this new book that we are writing, we all make a clear commitment to be committed members so please sign up even if you feel you've been fulfilling the standards for a long time!

Remember that the membership course requirement can be fulfilled at this time by watching the presentation found here.
