## TREE OF ALL THINGS CEREMONY

**Preparation:** Each family should prepare one Cheon Il Guk candle

**Special Candle:** Only one candle should be bestowed to each family

**Method:** The bestowing of the special candle should be done by the leader

1. Singing Holy Song
2. Bow to True Parents
3. Leader lighting the seed special candle and then offer a representative prayer
4. Bestow the fire: The leader will hold the seed holy candle and then members will receive the light from the leader. The light can be given via members and not necessarily only from the leader. (Only members who registered for the Great Works will receive this grace)
5. Prayer by everyone
6. Eogmanse (representative)
7. Bow to True Parents

\*\*\*The Seed Special Candle that was used for the ceremony can be given to the leader's family.

The grace of the Special Candle is only available for members who **registered** for the Autumn CheonBo Great Works. During the Great Works evil spirits that were blocking us to receive the Grace of All Things were liberated which thus enhances the blessing of all things of the Special Candle. (There are no specific holy matches so please prepare your own holy Matches).

\*\*\*If the leader bestows the light of the Special Candle to members who didn't register for the Autumn Special Great Works then the grace that the leader was supposed to be receiving will be given to that member. In other words, the grace of the Special Candle is 100% and when the leader bestows it to others who didn't register then 1% of the 100% will be given to that member and the leader will only have 99% of grace.
