Hello,

The Belvedere Community Gathering has an exciting Christmas surprise for you - we are hosting our second HJ NURI Gathering!

HJ Nuri is a youth-led gathering tailored for young kids and their parents. It offers an opportunity for the next generation to set the tone for what future Community Gatherings could look like.

This gathering will be held on the 24th of December, starting at 11 am. Children from ages 2-8 will be performing a few songs and a play. They radiate pure joy and love, and through them we hope to share the Christmas Spirit with everyone!

This is the brief schedule of the gathering:

- 11:05- MCs welcome everyone to HJ Nuri.
- 11:10- Christmas song with the kids
- 11:15- Song Performance by Justin and Justin
- 11:20- Opening songs
- 11:30- Christmas Skit
- 11:45- Song Performance by Peter Reiner
- 11:50- Storytelling by Steve Honey
- 12:00- Present Giving
- 12:05- Closing song
- 12:10- Announcements
- 12:40- Movie

If you missed our first HJ Nuri, here's another chance to see our children perform! Whether you have children participating or not, we'd like to again extend our invitation to people of all ages.

After service, we will have a Christmas Gift Exchange! If you'd like to participate, please prepare a wrapped gift to place under the tree at the beginning of Service. Those who bring a gift, get to take a gift home!

We hope to see you there!
