Dear Brothers and Sisters

We have some special announcements!

There are some exciting happenings all around the world that we are preparing for. To prepare our hearts and minds in unity with our National team we are announcing a special 40-day devotional period of prayer. Please see the attached memo. To really create a beautiful environment where we can empower one another to participate we will be holding evening prayer vigils at the Belvedere Cheon Shim Won every weekday. (See the image for the schedule)

Each day will have a core audience and theme. During that time we will have sharing of testimonies and discuss how we can best support one another in the given area as well as hear updates from the team. Every night we will end with songs and prayer. We will **not** have a zoom option for the prayer portion, although we may allow zoom for reports and testimonies. As much as possible we want to encourage in-person participation. Each night will be slightly different to give space for creativity and the spirit to move us. Stay tuned for details.

Another important announcement is regarding the Blue Dragon Tour. Many of you have been asking about participation in the tour when it comes to our area. While the main location in the North East will be Clifton Church in NJ, we have been given permission to set up a satellite location at Belvedere for our members to attend. The date of the event will be April 12 (evening) - 14 (Lunch). Please mark your calendars for these dates and we will send out more details as we get closer.

If you have any questions feel free to reach out to Pastor Justin.
