Dear Brothers and sisters.

As you may know Parent's Day is coming up and the ATM outreaches are planning an event to nominate some people to receive an Excellence in Parenting award. We are hoping to have a good turnout and even better event.

In 1994, Congress unanimously passed "The Parents' Day Resolution" establishing the fourth Sunday of July as a perennial day of commemoration. Bipartisan legislation to establish Parents' Day was filed in the House in August 1994 by Rep. Dan Burton, Indiana Republican, and Rep. Floyd H. Flake, New York Democrat, and 16 other original cosponsors. The measure, which eventually had 223 cosponsors, passed the House on Sept. 30 and passed the Senate on Oct. 4. President Bill Clinton signed the measure - now Public Law No: 103-362 - on Oct. 14, 1994. Senator Orrin Hatch (R-UT) chaired the meeting in which Mother Moon called for a new national holiday called Parents' Day.

We want to follow in True Mothers advice and make this a cultural event, Heavenly culture. Something that will inspire people and will bring the importance of parenting and family to the forefront of peoples minds. It is in the planning stage now but we need your help. It is quite an effort to make something like this essential and we want to put a smile of TM's face.

If anyone feels called to help we need help in the areas of Ushering, helping with certificates. Food and decorating the room and of course taking care of guests. We ask the ministers or AFP to nominate 2 couples to receive the Awards. That way we can get a cross section of people of course as FFWPU members you could nominate a guest you think might be inspired to get the certificate. SO, we will give a certificate and we are working on Congressman Mike Lawler's congrats from him. Also if you have ideas how to make the program go well please text me so we can set up something to exchange ideas. Thank you and it's going to be a great event.
