True Children's Day

Join us in celebrating True Children's Day this Sunday November 3rd at 10am!

We would like to encourage young children and Youth to bring an offering (like fruits or a snack) to add to the offering table. They will give their offering after we finish the songs during service.

As a reminder, this Sunday Daylight Saving Time ends so make sure to change your clocks back an hour. That way we will be fully rested and on time for our Sunday Gathering together.

We hope to see you on Sunday!
