Peace Starts with Me Seminar This Saturday!

This Saturday we have our first half day Peace Starts with Me Seminar! Join us as we go deeper into what creating peace in our life and our world looks like.

Bill Lay will be one of our main presenters as well as pastor Justin. There will be lunch served as well as various engaging activities. We will meet in Room A.

If you have a friend you would like to bring contact pastor Daryl Clarke. Also feel free to attend yourself if you would like to just experience the seminar. It will be an enriching experience regardless of who attends.

Thank you!
