December 31, 2024

Dear Brothers and Sisters

The new year is coming! As we welcome in the new year I hope we can all take a moment to appreciate this past year of 2024. I'm sure we all had our challenges, but we are still here, growing and learning, and let's not forget the incredible victories of 2024 as well!

As usual we will have our Midnight Prayer at the Holy Rock from 12AM but please come early around 11:45 PM so we can all be there and start the prayer once the clock strikes midnight.

Also to celebrate the new year together as usual we will also have our annual ice skating.

See the details in the flyer. The address is 91 Fairview Park Dr.

Elmsford, New York 10523

A festive flyer for an ice skating event. The background is light blue with snowflakes and stars. The main text is in large, bold, blue letters. There are illustrations of people ice skating, a gift box, a penguin, and tickets.
