Paul's Letter to Philemon

Put on the whole armor of God, that you may be able to stand against the schemes of the devil. For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places. Ephesians 6:11-12

Your 5% is to go the road of persecution and you must welcome it. You will be persecuted by all kinds of people on all kind of levels. You must face and conquer all of peoples' scornful attitudes, but your struggle with persecution is never in vain. We are citizens of a different world.

Sun Myung Moon, Core of Unification, October 9, 1977

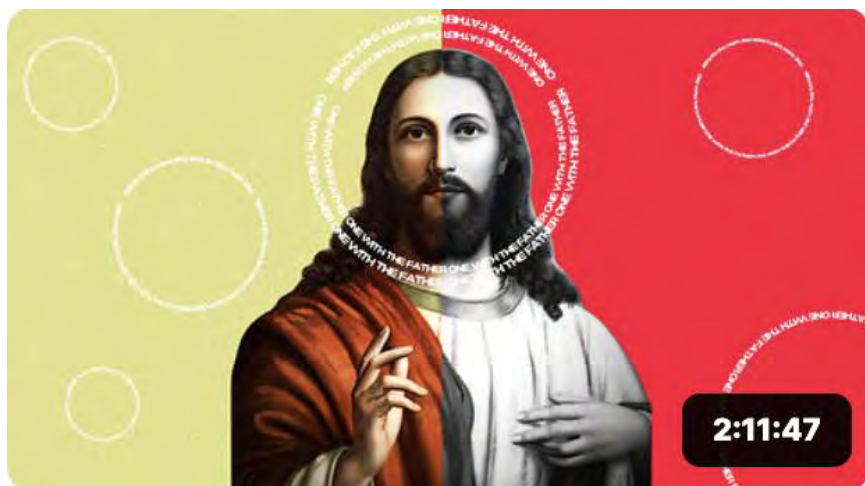

Hello,

Hyung Jin Nim started the service by mentioning that a Christian Patriot group posted hi new Rolling Graves music video on the *Save America* channel. He also recommended the 3rd King's new video on "Jesus didn't come to die" and praised him for becoming a theology expert.

They are preparing for to conduct rallies/ performances where Trump is speaking in the parking lots outside. It is called "busking." The Trailer is a moving billboard, that will show song lyrics.

Only the Christian nations in the west abolished slavery, based on Biblical teachings. The Islamic nations in North Africa and the Middle East resisting ending slavery until the 20th century.

He read from the letter to Philomen on behalf of Onesimus, Philomen's slave. Paul wrote "you have authority under Roman law to keep him, but he is now under Christ, so please release him as a brother." When each of us comes to Christ we need to become one.

Confucianism emphasizes social order, especially respecting your father. The worst thing is to upset social order. True Father said that Confucianism does have benefit in the family realm, but it does not

allow a slave to be a brother to a Yangban (aristocrat). Asians had slaves, but the slaves were also Asian.

In the U.S., you see teenagers punching old people at random for fun. In the East they would be executed. Don't become a "friend" to your children, be a parent!

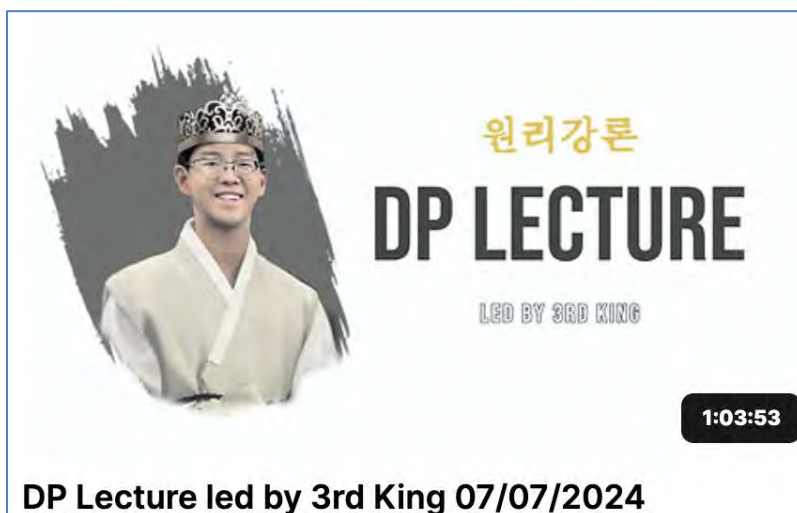

In the west, there is a new woke hierarchy of leftists and feminists backed by government, eroding the freedoms we have which are from God. They seek to dismantle all of Western culture. Some even deny that Jesus ever lived, but there is more evidence for his existence than anyone else in ancient history. 10,000 New Testament documents from the 1st Century AD have been found which were written within 70 years of Jesus' death. By comparison, there have been 60 documents referring to Augustus Caesar and only 40 documents found of Plato's writings.

Jesus divided good and evil. That is why others don't want to admit his existence, much less his authority.

Many yangbans (aristocrats) became Christian in North Korea in the 1940s when True Father started his public ministry.

The British theologian, Dr. Eileen Barker, wrote a book about *The Making of a Moonie: Choice or Brainwashing*. At the conference in 2016 on "Unificationism after the passing of Sun Myung Moon" in Belgium, one of the scholars commented "Hak Ja Han changed the theology, to keep the power."

Now FFWPU brothers and sisters in America see the reality of Only Begotten Daughter theology being taught.

Hyung Jin Nim spoke out about the Covid masks are the symbol of subservience, of being forced to hide your identity. At one large Family Fed event, Hak Ja Han was maskless but everyone else was wearing a mask. They were also promoting the Covid injections. Their thinking seems to align with the totalitarian bio-security state.

The elite bow to power and use ideology to justify tyrannical rule. Jordan Peterson has explained that Lucifer symbolizes the unchecked intellect.

People who come back to True Father's authority should be forgiven. But they would no longer have any church position.

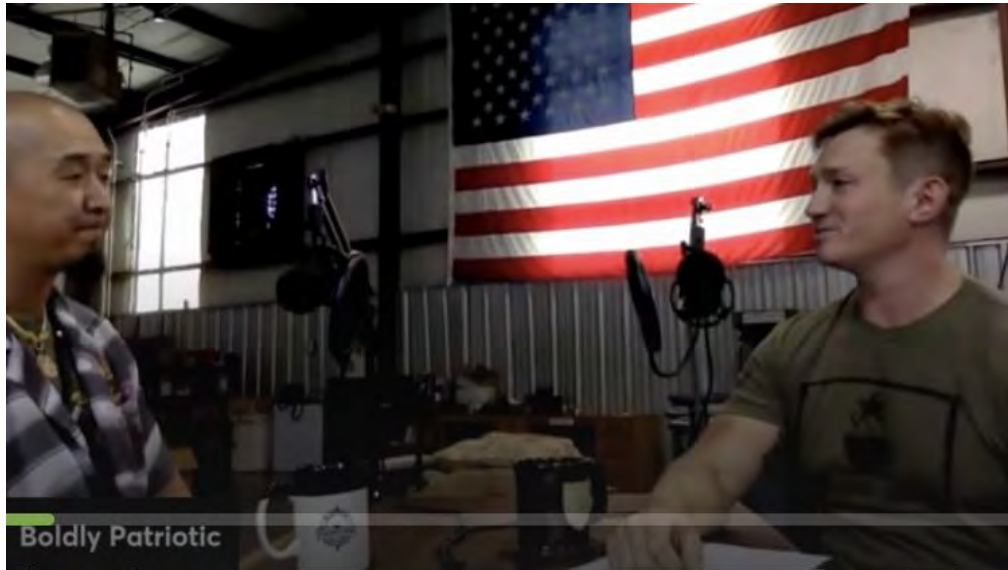

Philomen had the legal right to keep Onesimus as a slave, but both needed the same forgiveness under Christ.

Rev. Lee and Mrs. Erikawa worked with Hyung Jin Nim for 20 years. They were the first to stand up for him as True Father's anointed heir. When some people in Korea and in Japan complained about them, Hyung Jin Nim just tells them you have "freedom and responsibility."

People are not compelled to work together, but it's important to remember that we are all under True Father's Authority. In the end we all have to fight our own limitations and fallen natures.

Asian mothers-in-law are known to be tyrannical, but Yeonah Nim says to also see your daughter-in-law as a sister in Christ.

As the 2nd Advent of Christ, True Father had to forgive everyone, even the one who molested his oldest son. Those who committed sin have to be punished, but not hated because they are still the children of God. God is mindful of the matters of the heart.

May God bless you and your families!

Sincerely,

Richard
