### "True Father, True Mother Kang, and Jesus"

Ascribe to the Lord, O heavenly beings, ascribe to the Lord glory and strength. Ascribe to the Lord the glory due his name; worship the Lord in the splendor of holiness. The voice of the Lord is over the waters; the God of glory thunders, the Lord, over many waters. The voice of the Lord is powerful; the voice of the Lord is full of majesty. The voice of the Lord breaks the cedars; the Lord breaks the cedars of Lebanon. He makes Lebanon to skip like a calf, and Sirion like a young wild ox. The voice of the Lord flashes forth flames of fire. The voice of the Lord shakes the wilderness; the Lord shakes the wilderness of Kadesh. The voice of the Lord makes the deer give birth and strips the forests bare,

and in his temple all cry, "Glory!" The Lord sits enthroned over the flood; the Lord sits enthroned as king forever. May the Lord give strength to his people! May the Lord bless his people with peace! **Psalm 29**

Don't ever think that the homeland is someplace far away. This is the homeland, right here. It is wherever you practice your true love. . . The person who pays attention to each individual, tries to meet their needs, passionately loving his brothers and sisters and his society, can never go wrong or be neglected. Nothing in your life is more precious than love.

Everywhere I go, I deal with individuals. I never shrink from this or try to avoid anyone.

### SMM, We Shall Live in the Original Homeland, July 1, 1987

Hello,

At the Sunday service, we watched a recorded message from Hyung Jin Nim, who was still driving back from the Trump rally in Las Vegas.

One pastor was so excited to see our rally/prayer group. Many people have seen the J-team and K-team being interviewed on the RSBN network. This is the most important election in U.S. history. The outcome will affect the entire world.

Psalm 29 is about the voice of the LORD. The ancient pagan religions viewed the gods as sexual, fertility gods. The Judaic God, Yahweh, is non-sexual. He creates through the Word. He created sex for marriage and procreation, where it is protected and safe, supported by the entire community.

In John 1, the nature of God is said to be the Word. God's words are the center of our lives. The breath of God which you can't see, invisible, yet audible, and powerful.

The spoken word can pierce our ears and then our hearts. As Father taught us, the nature of God is sacrificial love.

In the Old Testament, God is said to be the healer and the provider just once, but He is referred to as Jehovah Sabaoth, the commander, the king who is on the battlefield, 285 times. He builds up armies to protect the people.

Christianity does not have a clear teaching about the Fall. Our sexual organs must not be misused. The United States is the number one exporter of porn, destroyer of unborn babies, and destination for sex trafficking.

We have a Sex-tanol (more dangerous than fentanyl) crisis. Once you go down the rabbit hole of pornography, you become addicted not just to "dopamine sex," but also to harder and more abusive, "adrenaline sex."

In his speech, Trump mentioned Dinesh D'Souza's new movie which discusses sex trafficking of lost migrant children. You cannot cohabit with an alien culture that says "rape and mutilate your enemy." He spoke about the Haitian gangs, which practice the voodoo religion where you are even eating the heart of your defeated enemy. More terrorists are entering our nation.

The assassination attempt of Trump was a terrorist attack. Even some leftists are admitting this. God saved him. He has become a symbol of freedom.

Robert F. Kennedy, jr. is revealing how poisons are being added to food and pharma. God calls us to stand up and be active. We need to mobilize spirit world to protect Trump and the future of America. We need supernatural courage, by hearing the Lord's voice. It comes from being part of God's realm.

**"True Father, True Mother Kang, and Jesus"**

When autumn is starting in Northeast Pennsylvania, my memory is often with True Mother Kang. In 1952 she had the intention to witness to a mysterious man living in a cardboard hut about Christ, but instead Father witnessed to her and she left behind her church, becoming the earliest member to join in South Korea.

In December 2016, at the age of 89, she left her FFWPU-supported apartment in Cheon Pyeong to travel to America. She wanted to be close to where she could feel True Father's spirit. After arriving at JFK airport, she drove to Northeast Pennsylvania, arriving in time for the leaders meeting. She was quiet, with a small smile. When she had a chance to speak, she usually talked about her experiences with True Father.

Sometimes she invited the prayer team to meet with her at the Palace. She would often say, "believe 100 percent until God gives you an answer!" She shared her experiences about how in her life, God often worked at the last moment. She said, "Do not give up. Trust God!"

Last week we prepared for the Anniversary of True Parents' Holy Blessing Ceremony at the Newfoundland church. As usual, we worked with brothers and sisters to prepare a small offering table.

This morning I had a dream. True Father was sitting in front of the holy meal with True Mother Kang. He had a happy face. He looked like he was in his 60s, very handsome. Then Jesus appeared, looking very strong and healthy. He said, "I would like to have a holy meal, too" with a warm smile. A holy meal for him appeared right away. He ate the meal just like True Father. I asked him, "where are you staying?" He said, "I am living here with all of you, in the mountain wilderness."

I'd like to finish by thanking the 2nd King for keeping all the Holy Days and Father's traditions, so that we can always feel close to True Father, no matter what is going on in our lives!
