Now Jericho was shut up inside and outside because of the people of Israel. None went out, and none came in. And the Lord said to Joshua, "See, I have given Jericho into your hand, with its king and mighty men of valor. You shall march around the city, all the men of war going around the city once. Thus shall you do for six days. Seven priests shall bear seven trumpets of rams' horns before the ark. On the seventh day you shall march around the city seven times, and the priests shall blow the trumpets. And when they make a long blast with the ram's horn, when you hear the sound of the trumpet, then all the people shall shout with a great shout, and the wall of the city will fall down flat, [a] and the

people shall go up, everyone straight before him." Joshua 6:1-5

You must give to the nation. Ask, "What do you need? Let me provide whatever service you need." Even if the whole country came against you, you would have no shame and you could stand with dignity. I am simply saying that you must practice true love. **SMM, We Shall Live In The Original Homeland, July 1, 1987**

Hello,

As soon as we attended the Bucks County Commissioners meeting last Wednesday as a "prayer condition" training, U.S. Senator Bob Casey gave up. The work of Scott Pressler led to 2 new Republican congressmen and a new U.S. Senator David McCormick. The truckers, hunters and Amish turned out.

In 2027 we need to elect 2 Republican Supreme Court justices to protect election integrity in the next presidential election in 2028.

The video of the Japanese Choir performance has had 1.5 million views. We are not just a church that warms up the pew. We were trained by the Lord of the Second Advent so we are an activist church.

Because of True Father's Victory Over Communism education, we understand the nature of the governmental beast. Most churches do not understand the threat. January 6 treatment of patriots was just the first step. They were setting up quarantine camps for every patriot group. Even Ron Paul and his supporters were on the FBI domestic terrorist list. We were on the cusp of our nation "flatlining." A super dangerous reality.

As soon as Lucifer led the Fall, there was politics, so to say that God won't get His hands dirty by being concerned about politics is wrong. That is why it can be said that God is political. The new movie about Bonhoeffer shows the importance of resisting the devil and he will flee. Twitter has become the #1 free speech news source for many countries around the world.

We need to do more physical training, stay healthy. Youthfulness is not just about physical age. It's a

mindset. People want to come because they see a lifestyle. We are the Peace Police Peace Militia. Even if we are older, if we train that will be attractive. Keep your eyes on the Father. Western doctors are now admitting that weight lifting, which gives a stress load to your muscles, will strengthen your body.

The girls in Israel have do 2 years of military training. The women set the example. If women are more neurotic about saving souls that is good.

Some people don't want to come to the church, but they will come to weight training with grandma and grandpa. True Father did training every morning from 4am to 5am, doing 100 to 300 squats.

We like pain, in a good way. You have to enjoy the stress load and be about doing the Father's business. Fight, fight, fight! Win, win, win! After the January 20 presidential inauguration, Hyung Jin Nim plans to do Jericho runs in Europe, around the WHO and the WEF headquarters, in Russia, in Taiwan, in India, in the Middle East, and in Asia.

Japan, the Eve nation, has been going toward Communism. We have to help it to go towards the right direction, towards man-woman marriage and not killing babies.

You need the Messiah to have the Kingdom culture and the Constitution. 90% of the world moves by emotion more than intellect. We are like the Amish, but cooler.

Under Moses, they created militias and camped in tents every night, and did military training for 40 years. Trump is a trumpet for God. 7 Trumps including his wife and children. There is a portion of responsibility. Our voices are necessary, regardless of our feelings, insecurities and fears. The shouts are followed by more responsibilities, to destroy the enemy with the sword.

We almost lost our country because many conservatives feared being called bad names by the Left. We need to be the hands and feet of Christ. Our responsibility is more than just filling in a circle on Election Day.

Rachel's Sanctuary Testimony

Joshua said to the Israelites, "do not shout until I tell you." You can see the importance of God's central figure leading. In every age there will be one.

In his book, *Is God a Moral Monster?* Paul Copan looked at all the cities where Israelites were commanded to destroy. Judaism is different from the way the god of Islam works. It was not an open authorization, but limited and specific.

Trump is organizing a global summit in Mar a Lago to stop WW3. Keep your prayers up through January 20. It was because of God's great love, not our own merit, that God saved America. We are worse than Sodom and Gomorrah, but God had mercy. We dodged a massive bullet. But now we have to cut off the head of the federal leviathan, but local is the key where we root for and support each other to be victorious. Do absolute sex and date training. In the Kingdom, we invest our youth in our marriages and children. You don't have to be perfect, you have to be consistent.

Christianity should become the head, not the tail, of our culture.

Bill Allen shares his shocking testimony of deliverance and his current work as president of the Pennsylvania Integrity Network.

Xi van Fleet explains how the **Cultural Revolution** turned high school girls in China into murderers of their own teachers because they were "enemies of the state." Now the Cultural Revolution is here in America.

May God bless you and your families!
