2nd King Performs at Mar-a-Lago!

The Lord swore to David a sure oath from which he will not turn back: "One of the sons of your body I will set on your throne. If your sons keep my covenant and my testimonies that I shall teach them, their sons also forever shall sit on your throne." For the Lord has chosen Zion; he has desired it for his dwelling place: "This is my resting place forever; here I will dwell, for I have desired it. I will abundantly bless her provisions; I will satisfy her poor with bread. Her priests I will clothe with salvation, and her saints will shout for joy. There I will make a horn to sprout for David; I have prepared a lamp for my anointed. His enemies I will clothe with shame, but on him his crown will shine." Psalm 132:11-18

If you are trying to find love, you are misguided. You cannot "find" love. It goes against the process of the law of creation to look for love. You have to invest yourself first. Have you done that? Have you poured your love into your spouse? Love is bound to come back to you as much as you have poured your life into the other. When that happens, love starts coming back. Hello,

On Sunday we watched a video sermon recorded by 2nd King on his way to Georgia as part of the Jericho Prayer tour to the 7 battleground states.

Even though Trump was re-elected it is still a dangerous time. The whole world was prepared for tyranny if Trump lost. Fifteen million unvetted immigrants let into the country. The bureaucratic state has spread its tentacle-s into all parts of our nation.

Interesting that the J6 pipe-bomber turned himself in right after Trump was elected. They were able to track down the grandmas and other citizens who attended on Jan. 6, but they couldn't bother to catch the person who placed pipe bombs near the Democrat and Republican National Headquarters on that day!

There are roughly 40 more days until the presidential inauguration. The 40-day fasting by Jesus and the 40 years of separation of the Israelites wandering in the wilderness show the seriousness of this time and our need to pray seriously that the evil machinations of the devil be confounded by the Holy Spirit.

He spoke about performing on Tuesday, December 10 at a benefit gala in Mar-a-lago. General Flynn, Kid Rock and Tucker Carlson will all be there. His rap will be an anointing prayer, giving glory to God, President Trump is an innocent man, but they tried to take his life. It was gracious of Chris Darlington to invite him to perform together with him.

On Wednesday we will head to Nevada and Arizona to pray at the last two state capitols. God always works in providential history around a central figure. Donald Trump is being used by God to resist the trans cult, which targets youth for genital mutilation and irreversible chemical castration. Pray for a hedge of protection around him!

He then read and discussed Psalm 132 in which David pledges to build a temple to house the tabernacle. God promises that one of his sons will succeed him on the throne and build the temple. If his lineage keeps God's covenant they shall forever sit on David's throne.

David had to fight against Goliath at a young age. He was a fugitive since Saul was hunting him down. He was on the run. He had to live in caves to survive. His wife cursed him and his son Absalom tried to overthrow him. He desired to build the temple, but was not allowed to do that. God did not nitpick his faults, and declared that the Messiah would come from his lineage.

Donald Trump also has faults, with people trying to kill him. Father taught us about the government bureaucratic state, Communism, which is political satanism.

The pre-emptive pardons of Hunter Biden and Anthony Fauci show how corrupt and self-serving it is. Government's tendency is to be corrupt. Those who easily lie, steal, murder and blackmail are evil people who gravitate to utilize the power of government.

We need to be clothed with the word of God and train to be physically healthy. The Completed Testament Age establishes the physical lineage and kingdom on earth. Jesus commanded that in the Lord's prayer.

After the inauguration Hyung Jin Nim will travel to Korea, Japan and Europe in appreciation of brothers and sisters' sincere efforts to come to America in advance of the 2024 election. They will also travel to Russia, and to Geneva to pray and march around UN, WHO and WEF headquarters.

If America is a strong, constitutional state, it helps other countries. Pray for RFK, jr., Kash Patel, and

others Trump has appointed.

States will have a competition to put prayer and the Bible study back in the public schools. It's essential to strengthen the morality of the people. Almost 40% of the Christians did not vote in 2024. That is shameful. Many Korean Christians are on the front line because they know the brutal reality of the Korean war. Thank God many young men voted for Trump. He praised Charlie Kirk for visiting churches around the U.S. to speak about the need to vote.

If Trump had lost we and other patriots literally would have our necks on the line. We're lucky it did not go to a physical civil war, and we can still operate at the level of a conflict of ideas. Which is why they wanted to censor conservatives.

Keep lifting up Jesus, True Father, and the messianic lineage on earth, building God's culture on earth. Pray even while you are walking. Secure America as a Christian nation and future generations for centuries to come. It is a dangerous, but epic time! When God is first, America will be first.
