Seonghwa of Tomomi Augustine and Lourdes Swarts

So Jesus again said to them, "Truly, truly, I say to you, I am the door of the sheep. All who came before me are thieves and robbers, but the sheep did not listen to them. I am the door. If anyone enters by me, he will be saved and will go in and out and find pasture. The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly. I am the good shepherd. The good shepherd lays down his life for the sheep. He who is a hired hand and not a shepherd, who does not own the sheep, sees the wolf coming and leaves the sheep and flees, and the wolf snatches them and scatters them. He flees because he is a hired hand and cares nothing for the sheep. I am the

*good shepherd. I know my own and my own know me. **John 10:7-14***

*First is the ruin or the crisis in the Christian world. We must be responsible for the corruption in the Christian world. In this nation, not only the Christian ideology, which was the founding ideology of this nation is being corrupted, but also the families committed to that ideology are being corrupted, are collapsing. If families are collapsing, it means the nation is collapsing. The God-denying ideology of Communism is infiltrating the nation and undermining the hearts of the people and separating them from God. Those three important questions are the most crucial ones. **SMM, Becoming A Responsible Person, July 14, 1974***

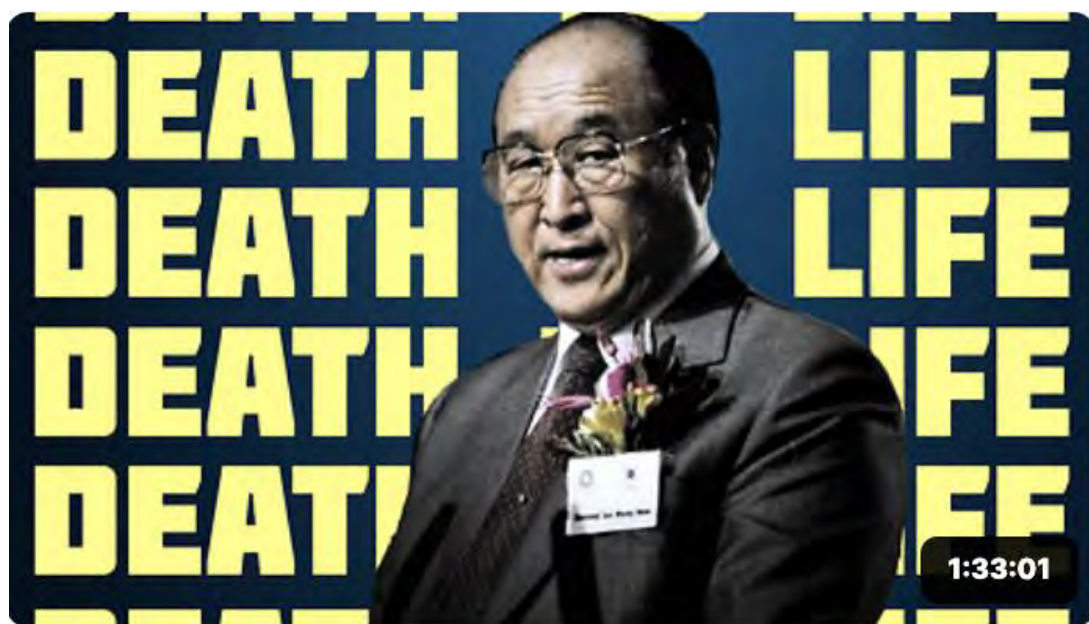

Hello,

Hyung Jin Nim started the service by congratulating the Theodoropoulos family for opening their gym in Newfoundland and opening it up to brothers and sisters on a regular basis. It's important for those in their 60s and 70s to work out on a regular basis. Don't become an old flower that Father will take to the spirit world. After the service, we go to the gym to work out.

Lourdes, whose Seonghwa we celebrated last Saturday, was honored with Hyung Jin Nim's calligraphy, which means "the flower of heavenly faith." Tomomi Augustine also just passed. As we get older we think more about going to spirit world.

Don't demonize the strong Christian man. He is the protection against Islam, which is an enslaving, wicked hierarchy. We need a strong, benevolent Christianity. Not a wicked "woke" matriarchy that wants to encourage youth to chop off their genitals. Resist the devil and he will flee!

Communist China must fall, so its 1.3 billion citizens can be liberated. Once they are free from Communism, they must be given the 2nd Amendment so they never again can be enslaved.

With the Department of Government Efficiency (DOGE) investigations, we now know that USAID was funding the BLM riots. Elon Musk sleeps in a sleeping bag in the DOGE office. He and Trump have an amazing work ethic. USA has been funding bioweapons through grants to EcoHealth Alliance.

Elon Musk posts DOGE findings on X right away. The New York Times and other leftist news propaganda organs can't keep up.

[Seonghwa Ceremony of Lourdes Swartz](#)

True Father was happy that Hyung Jin Nim studied Chinese. He was banned from China for meeting the Dalai Lama, but he is determined to go to Taiwan.

In China there are many internal struggles. Chinese on average have high spatial reasoning. They know their government locked them down and lied to them. Many states in the US are going to prosecute Anthony Fauci for his lies. More died from COVID infections and lockdowns than in all the wars after WW2. \$1 billion was spent on propaganda. We didn't give into the pressure by closing down our church.

Criminals and jihadis can still get machine guns even if they are made illegal. When the sheep have the rod of iron, the wolves hesitate.

He spoke about William Lane Craig's proofs about the resurrection. First, the eye-witness accounts. The risen Jesus was seen by 500 people. He ate fish with his disciples. Encountered by 40 of them. Why were they willing to die if just a lie? They underwent horrible torture and persecution.

Father was tortured to death 3 times at the Hungnam camp. He was given number "596." He was supposed to be reduced to a number. He was given the "Airplane" torture. Also electrocuted. In North Korea, if you teach about God, you will be put to death by professional executioners, who were paid to kill people. They killed hundreds to thousands of people each year.

Before Hungnam, during the Japanese imprisonment, he was tortured in Pyongyang and thrown out into snow to die.

Seonghwa Ceremony for Tomomi Augustine

The early centuries after Jesus' death saw the explosive growth of Christianity, 40% every ten years, but the Unification Church grew much faster than that! We serve God and Christ, who are alive!

In the West we think of food as just fuel, but it is also a medicine. He spoke about the importance of training. Teaching your children to swim is the way to protect your child from drowning. Bullies stop bullying when they encounter someone who can defend themselves.

John Lott is the author of "More guns, less crime." When he started his research, he thought gun control was a good idea. He was converted by the numbers. Communists seek a disarmed society. Chinese live in an open-air prison. Communists are trying to divide America through a divide and conquer strategy.

God has given us the will to stand up for rights that come from Him. Atheists believe that every choice we make is due to evolutionary processes, so they do not believe in free will.

God created something out of nothing. From outside of material universe. He has will, power and intellect. We who are created in His image also have will, power and intellect. We exist in a fine-tuned universe. God is a mathematical genius. The golden mean and the Fibonacci spiral is everywhere, in the curves of the snails, roses, ears, and in hurricanes.

Government schools brainwash youth instead of educating them. He recommends Jonathan Wells' book, *Icons of Evolution: Science or Myth?*

Brothers and sisters from Russia, Europe, Japan, Korea, etc. were praying for a Trump victory. After the July 13, 2024 assassination attempt, he knelt down and was praying. God gave him strength, resurrecting him, saying "fight fight fight!" God said "I will cleanse your land!" The cleaning crew has come to town! America started in Christ, not Babylon or Ashera.

The New Religion of Hak Ja Han

In case you didn't hear, a few days ago, the Han Mother [gave directions](#) for Family Fed followers to conclude their prayers as following: "**In attendance to Holy Mother Han.**"

In his Feb. 3 letter, North American FFWPU President Demian Dunkley frames this new direction in a revealing way: "*we have called you Dr. Hak Ja Han Moon or Mother Moon. However, True Father's name is Moon, and True Mother's name is Han. Among all these titles, there is only one that captures both your actual name and your position: Holy Mother Han.*"

So, the jettisoning from True Father's name is complete. The fig leaf that "True Parents are One" has finally been discarded. Demian further explains:

"On Sunday, True Mother expressed that she knew Heavenly Parent from birth and *understood her own position from birth.*"

Well, there you have it. Jesus and Sun Myung Moon had to go through a growth period before they could fully understand their mission and responsibility, but Hak Ja Han "knew her own position *from birth.*"

I can see why the Family Fed is creating a new Divine Principle, since it has now been revealed that "Holy Mother Han" has revoked the growth period needed by all others, in order to declare her own perfection *from birth.*

NEW PRAYER ENDING

"I pray with gratitude in my
name, [name of person
praying], of a blessed
central family attending our
Holy Mother Han. Aju."

SPR-MOS Saturday 9:00 am EST

The Mountain of Silence by Kyriacos C. Markides explores the mystical traditions of Eastern Orthodox Christianity through the lens of modern-day monks on Mount Athos, Greece. Markides, a sociology professor, recounts his journey and conversations with Father Maximos, an Athonite monk, who introduces him to the practices of hesychasm, prayer, and spiritual enlightenment. The narrative blends personal experiences with historical and theological insights, offering a vivid portrayal of monastic life and its relevance to contemporary spiritual seekers. The book delves into themes of silence, inner peace, and the pursuit of divine union, making it a profound exploration of faith and mysticism.

Описание курса:

Элейн Мазлиш, Адель Фабер, авторы книг “Как говорить с детьми, чтобы они понимали и как понимать детей, чтобы они говорили” , “ Братья и сестры давайте жить дружно” разработали четкий и понятный набор советов на тему «Как разго-

варивать с детьми, чтобы они хотели учиться и дома, и в школе». Они привели конкретные примеры отношений и слов, которые найдут путь к любому сердцу в процессе обучения. Они показывают, как создать эмоциональную среду, в которой дети не будут бояться воспринимать все новое и незнакомое. Они демонстрируют, как детей можно подтолкнуть к принятию ответственности и выработке самодисциплины, и разработали множество методов, которые помогают детям понять, кто они есть и кем могут стать.

Очень рекомендуется родителям, которые самостоятельно учат детей дома (хоумскулеры) и тем, кто регулярно помогают своим детям в процессе выполнения домашнего задания в школе.

В конце каждой встречи будет зачитана молитва за наших детей их книги **Сторми Омартиан “Сила родительской молитвы”**.

Божье Царство – сфера отношений, основанные на любви

Leader: *Denis Pigasov*

SPR-GKR Friday 1 pm EST

Время: пятница, 21.00 по Москве

Описание курса:

Как построить отношения с миром так, чтобы испытывать радость?

Жизнь состоит из отношений. Человек вступает во множество отношений каждый день. Это отношения с Богом и духовным миром, миром всего сущего и миром людей.

Первый в истории человечества про отношения, основанные на любви, сказал Иисус Христос. Он сказал: «возлюби Господа Бога твоего всем сердцем твоим, и всею душою твоею, и всею крепостию твоею, и всем разумением твоим, и ближнего твоего, как самого себя» Евангелие от Луки 10:27. Иисус Христос предлагает нам строить отношения с Богом и ближним своим используя ЛЮБОВЬ. Что это значит? Как это?

Опыт показывает, что построение отношений, основанных на любви, это трудная задача. Возникает вопрос. Почему так? В чем причина? В классе **“Божье Царство – сфера отношений, основанные на любви”** мы будем искать ответы.

Курс встреч состоит из 10 занятий. На которых мы погрузимся в значение слова “ОТНОШЕНИЯ”, “ЛЮБОВЬ” и “РАДОСТЬ”. Рассмотрим из каких отношений строится жизнь человека. Через какие стадии проходят отношения. В итоге поговорим о конечном результате отношений – О ЦАРСТВЕ.

Максимальное количество участников: 10 человек.

Автор учебного пособия обращает внимание на библейские персонажи, которые на себе испытали всемогущего, любящего и близкого Бога, действовавшего через них. А также в центре обсуждения является ОБЩЕНИЕ с Богом, что и есть ключ к практическому ощущению силы Бога в нашей жизни.

Пособие научит нас доверять Ему, с терпением ждать определенного Им часа, когда Он готов использовать нас. Он даст нам знать, когда мы должны будем произвести необходимые изменения в своей жизни и примкнуть к Нему. До тех пор мы будем ждать и молиться. Определенное Им время и Его пути ВСЕГДА будут самыми верными.

Моя молитва о том, чтобы Небесный Отец использовал этот курс для изменения нашей жизни для славы Его Царства на земле, как на небе. Труд, который Он совершит в нашей жизни превзойдет все наши планы и мечты. Он придаст нашей жизни полноту, а наше служение будет исполнено радости. Милость, радость и мир Божий да пребудут в нами через Иисуса Христа, нашего воскресшего Господа, который пребывает в единстве с Истинными Родителями. Им да будет слава ныне и вовек!
