What is True Feminism?

Though I walk in the midst of trouble, you preserve my life; you stretch out your hand against the wrath of my enemies, and your right hand delivers me. **Psalm 138:7**

Who would be most fully aware of your good and bad deeds? It would be your grandparents, your parents, your spouse and your children. Is there anything that cannot be resolved within the family? When parents and children, husband and wife, and elder siblings and younger siblings set an example of living for the sake of one another, how could they do anything unforgivable? What chance would they have to commit crimes?

A world governed by the heavenly way and the heavenly laws is a natural world, an unobstructed world of truth and pure reason. It is a world at the "high noon" of absolute values, without any dark shadows. **SMM, "God's Model for Absoluteness, Peace and the Ideal Is the Family and Global Kingdom Upholding Absolute Sexual Morality," November 21, 2006**

Hello,

Hyung Jin Nim started his sermon by showing a video of Yumi Hoshino, Yumi Kurita, and Shuji Matsuoka being promoted to blue belts in jui jitsu. He praised them for persevering in their training.

Spiritual, mental, and physical fitness are all important and promoted in the Sanctuary Church. Theo and Anastasia Theodoropoulus are national weightlifting champions. Those who are elderly can still be youthful in their thinking and behavior!

Mixed Martial Arts and Jui Jitsu are good skills to train in. You learn to confront your fear so you can remain calm and have clear thinking in the midst of stress or battle. For your children, start their training from 12 years old with milder forms from 5 years old. It's good for building their character, whatever career or profession they choose. Have the Navy Seal mindset for mental toughness. True Father was a wrestling champion in his youth and challenged bullies who were older and bigger than he was.

Weight-lifting is also helpful to join the Adamic culture. Research shows it is essential for the elder. He praised RFK, jr. the new Health Czar, for his commitment to personal fitness.

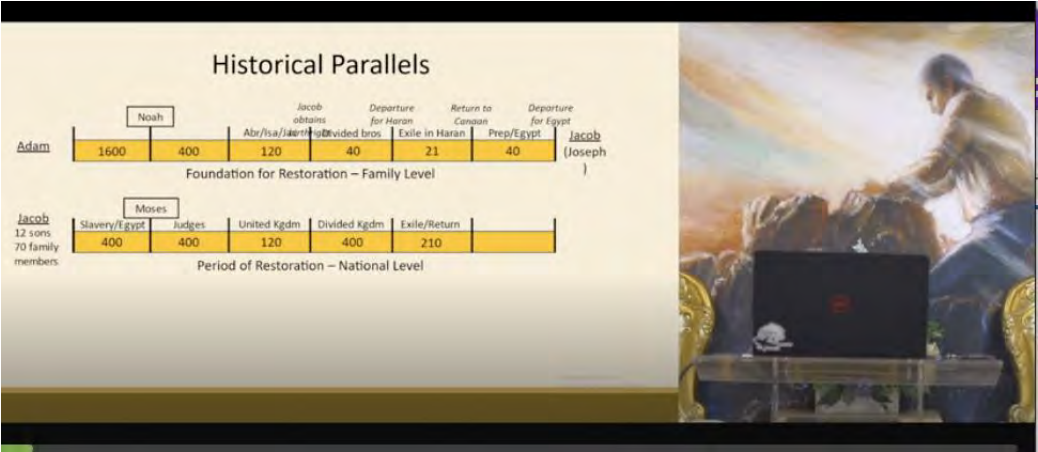

Being trained in firearms is the greatest equalization of force, whatever the sex or age. Even the weak can become strong when there's a threat.

Real feminism is being a great wife and mom, training with your children. He criticized the USAID funding of transgender causes and its funding of leftwing news organizations including *Politico*, the *New York Times* and the *BBC*.

Transparency is absolutely key. Thank God for the DOGE (Department of Government Efficiency) efforts to expose satanic causes funded by the U.S. taxpayers led by Elon Musk, who rebelled against the Billionaire elites. The founding fathers were also wealthy elites who broke off against the corrupt establishment. A vertical revolution with the involvement of all classes based on a higher moral principle and God-given rights.

It is important to actualize your faith. PPPM (Peace Police Peace Militia) training leads to an armed citizenry who can resist totalitarianism. Dr. John Lott, who wrote *More Guns, Less Crimes*, proves that all serious crimes drop when there are more armed citizens.

It is irrational to call Trump a "Hitler" when he increases citizens' right to arms and defends our rights to free speech. The position of the General Inspector is prophesized in the Cheon Il Guk Constitution, which is analogous to the DOGE, which inspects fraud in government agencies.

Globalism is neo-feudalism for the benefit of elites. It weaponizes sex for blackmail. America became infiltrated. If Kamala Harris had been elected, many people would have died.

Like Trump, America dodged a bullet. Being able to communicate is important in warfare. The X platform allowed immediate sharing and reporting to lawyers on election day, unlike the 2020 election when all the social media platforms were censoring the fraud.

We were likely scheduled to be arrested for encouraging violence, even though there was no evidence. He had to spend \$20,000 to deal with an IRS investigation, which only found he owed \$300 in taxes. The process was the punishment.

Trump is flooding the zone with executive actions at light speed. DOGE is already investigating the IRS. Our prayers were inadequate. We did not deserve God's forgiveness. Some call America modern Babylon, but Babylon was founded by believers in Baal. However, America was founded by men who believed in Jesus Christ, the ultimate innocent man. When Christ is our focus, we are transformed.

The messiah has to stand as the King of Kings, meeting people all over the world. True Father went to Israel during the 2nd Intifada in 2,000 and called us to join him when he crowned Jesus in Jerusalem.

As it says in Matthew 20:16, all power is given to me in heaven and earth. Go and teach in all the nations. Especially the dangerous ones. We must be about our Father's business.

The King's Report: What is TRUE LOVE?

We have been receiving God's unending grace. It was amazing that the 3 Kingships could go to Mar a Lago to sing a blessing on President Trump. This year's motto is: World Peace Victory by Father's Grace

Father prayed in Las Vegas for a Casino King to become the President of America and the world. The Protestant Reformation, with its message of the individual's unmediated relationship with God and Christ, leading to the ideal of freedom for the people, became the conduit for God to work and was the foundation for Christ to return.

Information found in every cell (DNA) in our bodies can only come from a mind. Mathematics is a proof of God.

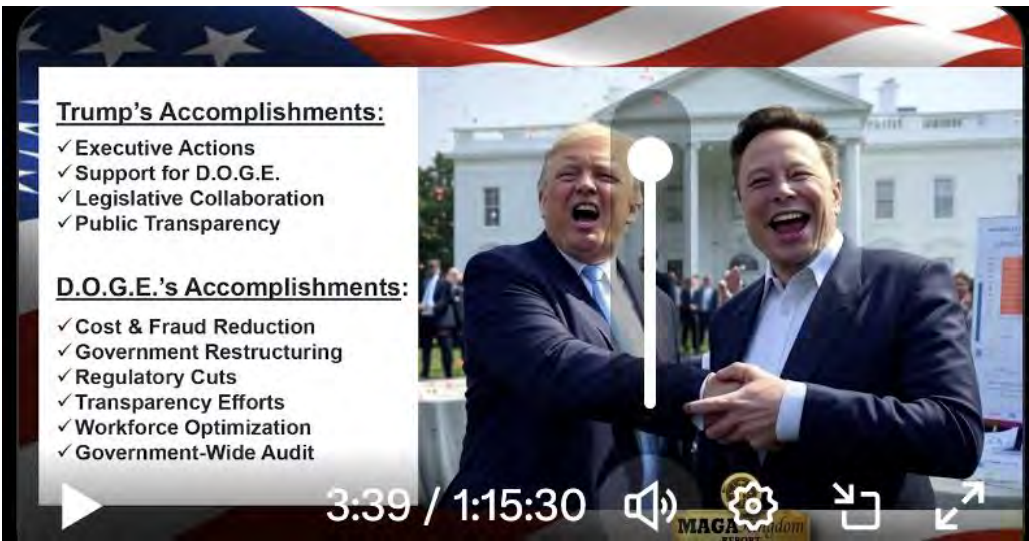

America is the front line of the worldwide battle against tyranny. We invested in mobilizing brothers and sisters from Japan, Korea, etc. to pray and do rallies before the election.

The red horse, Communist China, must be taken down, in order for True Father's birthplace, Cheonju in North Korea to be restored as a nation of freedom and peace. The biggest underground church is also in China. He cannot enter China, so he will go to Taiwan to pray and preach.

There, we will establish the Peace Militia Christian Association rather than the YMCA, to promote physical, mental and spiritual fitness. Let us build a Kingdom of Freedom and Responsibility. Train every week at the gym!
