Convergence in God's Providence

After these things God tested Abraham and said to him, "Abraham!" And he said, "Here I am." He said, "Take your son, your only son Isaac, whom you love, and go to the land of Moriah, and offer him there as a burnt offering on one of the mountains of which I shall tell you."
Genesis 22:1-2

Think about the heart of Abraham, who was trying to strike his beloved son with the knife. His mentality truly transcended reality. By meeting God's expectation in that moment of great risk, Abraham's daring act proved that he belonged to Heaven and his family belonged to Heaven.

It showed that he as well as his family and all of their belongings would follow the commandment of God. Abraham offered Isaac with the prayer in his heart, "Although Isaac is my son, he is Thine; therefore, I shall offer him to Thee." The realistic consequences of what he was doing did not matter to him.

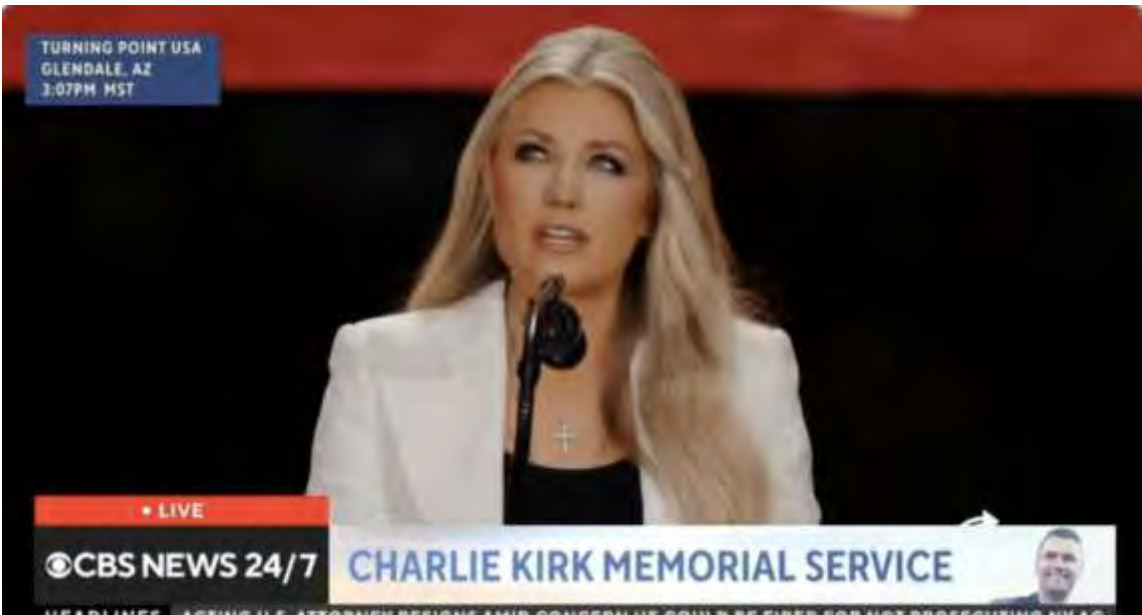

SMM, The Providence of God and the Nature of the Adventure that Transcends Reality, December 2, 1956

Hello,

Richard Panzer gave the sermon last Sunday at the Newfoundland Church. He started by saying, "as Unificationists we already know that we are living in a providential time, but I also believe we are living in a providential moment that is being made evident to hundreds of millions around the world. This is a time of Convergence when people of faith are openly speaking about key ideas that True Father spoke about.

Isn't it interesting that Charlie Kirk started Turning Point USA in 2012 and that True Father ascended in 2012? I've also learned that Charlie Kirk appeared to the 2nd King in a dream soon after his death, so I do see a deep connection there."

Kook Jin Nim said many years ago that since Satan took the Family Federation, that was a condition for God to take Christianity. Richard then said,

"I believe we are seeing this unfolding in front of our eyes." He then showed a video of Charlie Kirk

speaking at a church in North Carolina, which reminded him of the 2nd King's critique of Rapture theology. It shows that many Christians are understanding the danger of making the Rapture into a false idol or a golden calf, and not to use that to distract from our responsibility to guard our nation!"

He then showed a video of Charlie Kirk speaking at a church in Korea a week before his death. It shows that many he, as well as many Christians in our nation, understand that America First doesn't mean America Only.

Father often told us that America could not be victorious based on its economic or military power alone. It had to return to its spiritual roots and identity. As the Principle explains, for God's providence to succeed, the religious and the political leadership must be united.

Before showing videos of Director of National Intelligence Tulsi Gabbard and Secretary of State Marco Rubio, Richard pointed out that both President Trump and Vice President JD Vance, and nearly the ENTIRE cabinet attended the Charlie Kirk Memorial.

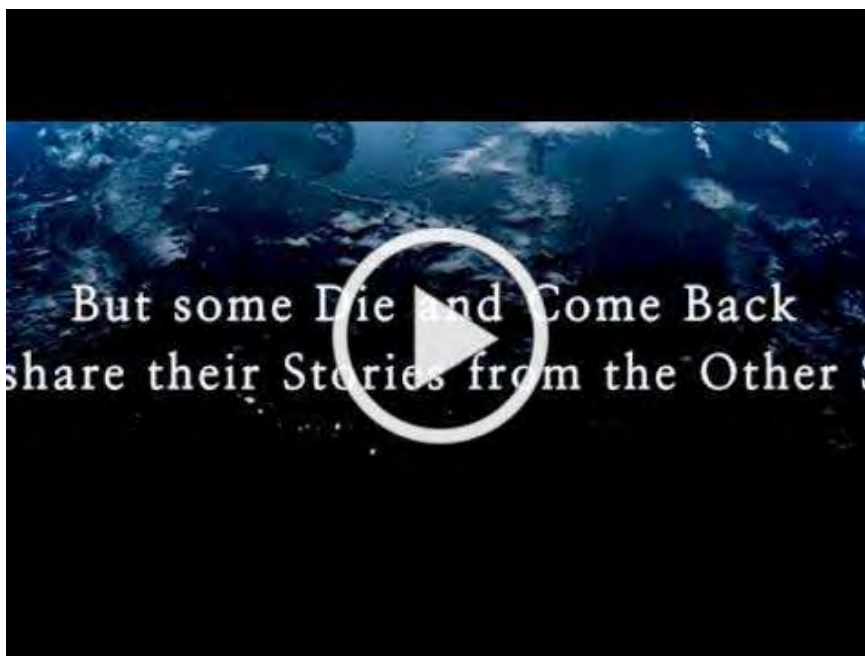

If an enemy had wanted to wipe out the whole presidential leadership team of America this would have been the opportunity to do that, but apparently there was something more important that justified taking this risk! Maybe someone in Heaven who speaks Korean was pushing President Trump to do this!

Richard asked if there has ever been a speech given by a United States Secretary of Defense that was as explicitly religious as the one given by Secretary of State Rubio! He then showed a video dedicated to Charlie Kirk posted on the White House X page, in which our nation is offered up to God.

After spending many years opposing the Deep State and calling Americans to re-elect Donald Trump, Hyung Jin Nim was instructed to go to Asia, where he is calling for the liberation of a billion people oppressed in China and North Korea.

He then read the passage in Genesis where God tested Abraham by asking him to offer his son Isaac as a burnt sacrifice, and followed by reading Father's words:

Think about the heart of Abraham, who was trying to strike his beloved son with the knife. His mentality truly transcended reality. By meeting God's expectation in that moment of great risk, Abraham's daring act proved that he belonged to Heaven and his family belonged to Heaven.

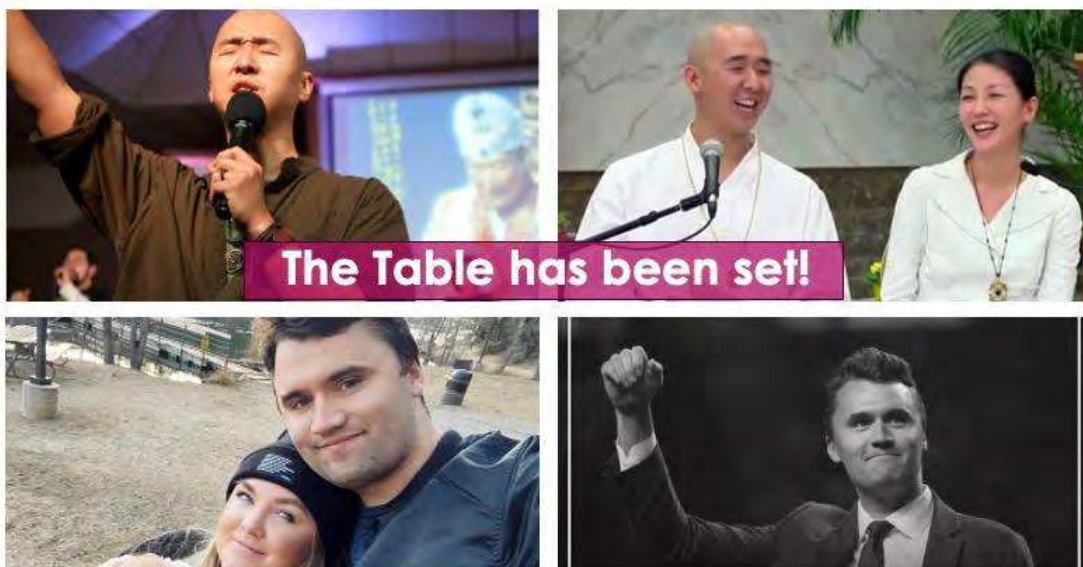

It showed that he as well as his family and all of their belongings would follow the commandment of God. Abraham offered Isaac with the prayer in his heart, "Although Isaac is my son, he is Thine; therefore, I shall offer him to Thee." The realistic consequences of what he was doing did not matter to him.

TKR- Providence of Restoration

After showing the video of Erika Kirk's tearful tribute to her slain husband, Richard said, "I believe the offering of Charlie Kirk's death by his wife is spiritually akin to Abraham's offering of his son, Isaac.

It would have been perfectly human for Erika to express overwhelming grief, anger, despair, and even hatred for her husband's killer and for those who celebrate his death. I have always struggled with the idea of forgiving someone who has killed a loved one, but now I understand what it means to offer a loved one on the altar of God, without hate, and only with love. I do believe this act of forgiveness was a crucial turning point in American history and will have effects for many years to come."

Millions of young men around the world are hearing God's challenge to them to rise to their true position of being the King and the Priest of a God-centered marriage and family. Millions of women are also hearing God's challenge to them to become the Queen and the Evangelist of a God-centered marriage and family. Isn't that the essence of the Divine Principle teaching? Don't we have something to say about that?

Richard concluded by saying, "I hope you'll agree with me that the Table has been set for that teaching to spread throughout the world!"

May God bless you and your families!

Sincerely,

Richard
