What is a GOOD DAY?

"Come now, let us reason together, says the Lord: though your sins are like scarlet, they shall be as white as snow; though they are red like crimson, they shall become like wool. If you are willing and obedient, you shall eat the good of the land; but if you refuse and rebel, you shall be eaten by the sword; for the mouth of the Lord has spoken." **Isaiah 1:18-20**

You think you are independent people, but I see many hooks and wires attached to you. Satan is throwing his hooks at you. Are you slippery, or do you have many nooks and crannies where he can grab you? It is not easy to escape him, since you are more susceptible to the satanic element than to the heavenly element.

Each person is a target in the cosmic competition, for both Satan and God are throwing hooks at you. Depending on the kinds of niches you have, either Satan or God can snag you. In general, your mind is more susceptible to God's hooks and your body vulnerable to Satan's hooks. Therefore, you have to smooth over the satanic niches and create niches where God can hook you.

Sometimes I regret having met God. It has been like grabbing a tiger by the tail. Since there is no way I can let go, I just hang onto Him until the end.

Hello,

With the exciting news that Hyung Jin Nim and Yeonah Nim traveled back to America from the opposite side of the globe, many brothers and sisters gathered at Cheon Pyeong in Thorn Hill, Tennessee to greet them and to attend the 66th True Children's Day ceremony on Thursday morning. (see video below)

On Sunday, Newfoundland Sanctuary pastor Kyle Toffey started by discussing Alex Jones' Interview with Gen. Flynn. His major worry was about a crash of the stock market, civil war, and an external attack. Our enemies have infiltrated our electrical structure, massive vulnerabilities, radical Islam. In the past they used swords and guns. They are now using political means to infiltrate America.

Mamdani got a lot of funding from both Islamist and Communist sources. We need to keep on investigating and prosecuting the Deep State. Satan wants to destroy America. Their efforts to assassinate Trump failed and led more people to support him. They have lost many court decisions. They do have plans to subvert America. The mainstream media is helping them. trying to demoralize America.

When Trump was re-elected, many of us were excited. We need to realize that one person cannot fix everything. Each of us needs to think about what we can do. We know Who is sitting on the throne. The churches have an important role to play.

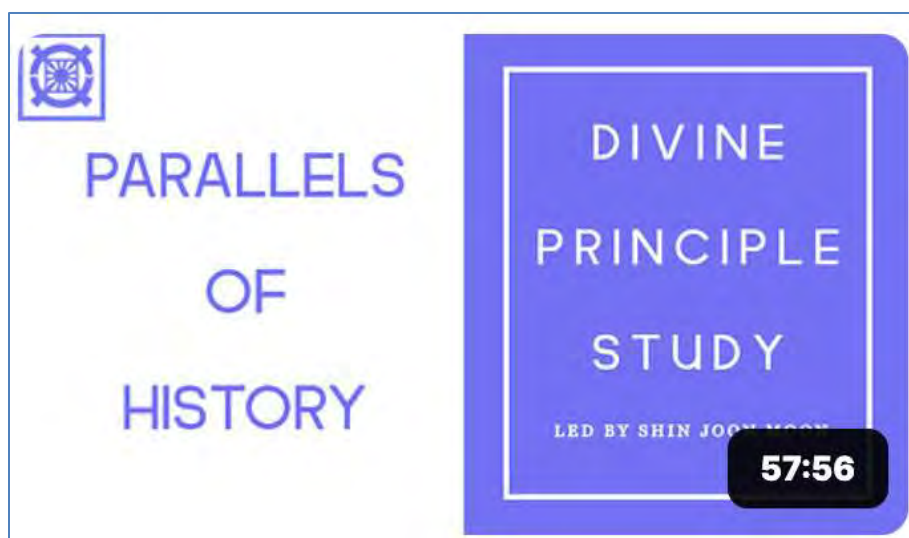

Kyle asked AI what are the benefits of attending church? AI's answer was: Spiritual growth, sense of community, lower rates of depression, a stronger support network, and improve mental and physical health. Good to know, but it doesn't discuss how we can do something for God, the nation or the world...

What is a good day? It could be digging a ditch, fixing my house, helping a neighbor. It could be getting sweaty and tired, but still a good day. Many people are waiting God to fix things, but God has entrusted us with fixing things.

Kyle loves Father's "Christianity in Crisis" book. What about God? Is He only concerned about one group of people? Most churches are not aware of God's suffering. This world is not what God intended.

We're blessed to have received training from Father and from the 2nd King. It's important to have a strong tribe and community, centered on God. If we don't know something, we have access to all kinds of information and skills training through the Internet. The ROI Freedom Festival last month showed us that we could reconfigure and turn on a dime. He praised the 3rd King's Divine Principle videos on The Advent YouTube channel.

If you feel stuck, remember that each day is an opportunity to make a new start!

May God bless you and your families!

Sincerely,

Richard

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
