World Peace and Unification Sanctuary - USA

The Freedom Society

The Unification Sanctuary in the U.S.A. has just launched a new website called 2ndADVENT.org which discusses the transformative life, teachings and accomplishments of Rev. Sun Myung Moon. The site also includes prophecies and testimonies of early disciples. Looking forward to hearing your response!

So God created man in his own image, in the image of God he created him; male and female he created them. And God blessed them. And God said to them, "Be fruitful and multiply and fill the earth and subdue it, and have dominion over the fish of the sea and over the birds of the heavens and over every living thing that moves on the earth." Genesis 1:27-28

When the opposition is fiercest then I am the most intensely interested in what will happen next, and what reward or what lesson will follow. Your lives are like walking a tightrope and balancing with a pole. As you are crossing that rope you could fall either to the left or right, into heaven or hell, but in any case you keep balancing yourself and continue the length of the rope. We are all really living at the edge of a tense situation. If you make a serious error-perhaps a deprogrammer grabs you and persuades you to leave-there might even be eternal consequences. In the usual day to day living it does not matter so much if you slip one way or another. But in our course you must be prepared to even give up your life in order to hold fast. SMM, How to Witness: To State Leaders, April 1, 1977

Hello,

Newfoundland Sanctuary Pastor Kyle Toffey started his sermon by discussing how Candace Owens slandered True Father, using information from a 30-year-old *Washington Post* article. Genn then read the letter from Shin Joon Moon (see below).

Kyle then spoke about Kook Jin Nim's "Freedom Society" speaking tour in 2012. He and Genn were blown away by its content when they heard his presentation in California.

As Genesis 1:27-28 we are created in God's image and meant to be God's children. Mankind was meant to inherit freedom and responsibility. We can program an AI robot to say "I love you," but is that what we want?

A self-regulating society requires: Private property and Free Markets that involve Competition (drives excellence). Also, there should be no centralized, standing army. Where local citizens elect, hire, or fire a sheriff, but all families are trained in firearms and self-defense, i.e. a Peace Police/Peace Militia.

Due to the Fall, from the beginning until now Luciferian systems run the world, with mankind ruled by tyrants. Lucifer's goal was not just to relate to Eve, but also to dominate Adam.

When societies have more freedoms, such as in representative governments/ republics, there is growth and prosperity, but these often degrade into democracies, where politicians are incentivized to give free things to the masses.

Republics need a religious foundation, where each citizen knows his responsibility to be good. Without that, Republics --> Democracies --> Popularism --> Socialism --> Communism.

America was founded as a Christian nation, achieving the top of the growth stage with a Bill of Rights. Its purpose is to welcome the Messiah and to establish the Kingdom of Heaven. True Father created the foundation for God's Kingdom. Before he passed on, he handed over responsibility for the Kingdom to the 2nd King and all of us.

Government is supposed to be in the position of a servant, not take the master position.

Young men are being called to be true, God-centered men, but starting in the late 1960s, President Lyndon Baines Johnson's Great Society programs paid women if they had children with no husband.

Kyle then played a video of leftists calling for war, to engage in combat, saying "we're not protesting. Stop with the signs, and get shields and swords!" Leftist violence is not just in Minnesota, last week there were paid anti-ICE protesters in Honesdale.

We need to revitalize the Christian foundation. Father is on the throne and working in ways that we don't even know about. Ask God, "what can I do?"

We need to stand up for the 1st and 2nd amendments. Each of us needs to get our training on- physically and spiritually!

May God bless you and your families!

Sincerely,

Richard

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
